## South Plaza Development Ready To Go

by CHARLES JOHNSTON

According to developer Jack Dupre, Antioch South Plaza, a 13.5 acre parcel of land located on the northwest corner of Rtes. 173 and 83, will begin to take shape in early May.

Dupre plans to develop the property into an area of retail shopping and service, motel accommodations, and a luxury apartment building.

M.M.M. Foods of Madison, Wis. purchased a 36,200 square foot parcel on which a Hardee's restaurant will be constructed. M.M.M. currently owns 19 other Hardee's throughout the mid-west. According to owner Glen Swanson, the Antioch Hardee's will contain

an indoor playground and will employ 75 to 80 people upon completion.

Swanson plans to begin construction of the restaurant in early May.

Dupre also has a contract pending with Seco Properties International of Davenport, Iowa for the purchase of a 121,000 square foot parcel that will house an L-shaped shopping plaza. Managed by general partners Jeff Eiringer and Robert Schwartz, Seco is an experienced developer and operator of retail centers in the mid-west.

Dupre expects that the center will be the home of 8 to 12 stores. Eiringer said that he hopes to begin construction no later than mid-summer and described Antioch as "an outstanding growth community in northern Lake County."

Dupre said that the sale of these two parcels frees up time for him and his father, John (partner in the development), to devote their full energy to the development of the motel property.

"We have talked with Ramada and with Quality-Comfort Inns," Dupre said, "and I think that we will settle with Quality Inns. They represent the sort of concept that we are looking for."

Initially, Dupre plans to have 21 suites and 41 rooms in the motel, which will also feature meeting rooms, lounge, and a breakfast area. The design the developers are planning can eventually be expanded to include 124 guest rooms with a complete restaurant and indoor pool. Dupre hopes to begin construction in July or August and complete the motel by the first of the year.

Financing for the project is being provided by the State Bank of Antioch. Dupre praised the cooperation that the developers have gotten from Randy Miles, president of the bank.

### New Chamber Operates With Antioch's Help

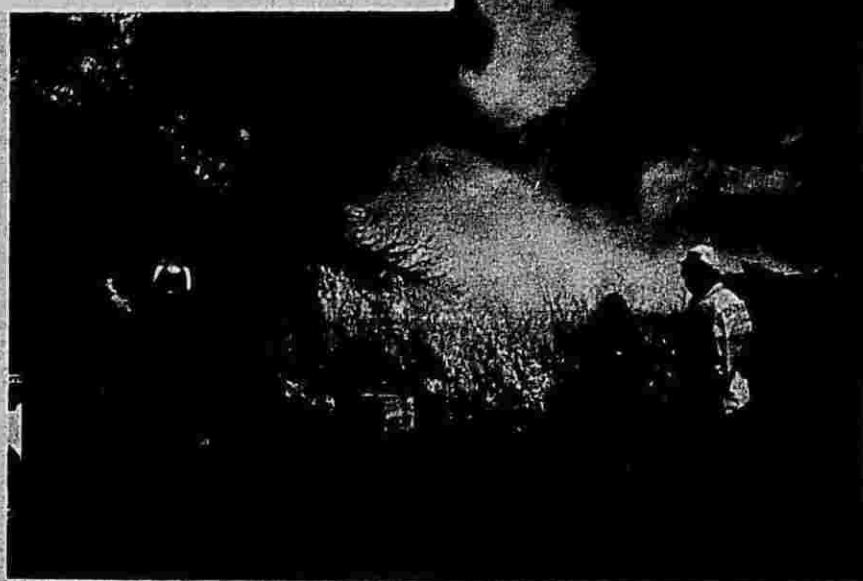

The long defunct Lake Villa Chamber of Commerce has been reinstated and will be operating for the time being in conjunction with the Antioch Chamber.

Antioch Chamber President Larry Hansen said, "This is part of a working relationship we have established between communities."

Lake Villa Mayor Joyce Frayer said, "Antioch has a successful Chamber and they are helping us until we get it going."

For the time being The Lake Villa Chamber will be using the Antioch Chamber office and Lake Villa volunteers will answer the telephone there.

Dr. Neil Garrett, DDS, is the president of the Chamber. The other officers are: Augustine Marchetti, First American Bank of Lake County, first vice president; Walter Dickow, Lake Villa postmaster, second vice president; Mary Jane Kepner, library director, secretary; Joseph Lapera, Prime Time Saloon, treasurer.

### Spectacular Blaze

A spectacular grass fire burned several acres of vacant land in Channel Lake on April 23. The fire began at 1:30 p.m. and burned for four hours.

## Dramatic Blazes Keep Area Firemen Working

by CHARLES JOHNSTON

Two slow fires in the last week did little damage but provided a spectacular sight for residents of the Antioch and Fox Lake areas.

At about 10:15 p.m. on April 27, a slow area near the Chain O' Lakes state park caught fire and burned for several hours. The flames lit up the sky for miles around. Residents as far north as Wisconsin and as far south as Wauconda reported being able to see that there was a fire.

The blaze was surrounded by the water of the lake, so firefighters had to let it burn itself out while watching to make sure it did not spread. No damage was reported.

Earlier in the week an afternoon grass fire burned several acres of vacant land in

Channel Lake. The fire began at about 1:30 p.m. and raged for four hours before being extinguished by Antioch and Wilmet firefighters.

Antioch fire inspector, Wayne Parthun, said that although the fire caused no damage except to the vacant land, it did endanger other property before being brought under control.

Parthun added that he thought that the fire might have been started by people burning brush and timber.

"We have said it before, but I can't emphasize enough how important it is for people to be very careful when doing any sort of burning, particularly at this time of year," Parthun said.

## Install Fitness Course At Williams Park

Glenda Tomaschik, director of parks and recreation for the village of Antioch, announced the dedication of the new gamefield fitness course at Williams Park. Ceremonies will be held on Sunday, May 25, at 2 p.m.

Built in cooperation with St. Therese Medical Center in Waukegan, regional sponsor for the national fitness campaign, the course features exercise stations designed to help improve individual muscle tone, heart, and respiratory systems.

The gamefield concept, often referred to as an outdoor health club, was designed by the Stanford University Heart Disease Prevention Center and the Arizona Heart Institute.

Tomaschik said, "We believe this is an investment in the well-being of our people, the irreplaceable quality of good health. We encourage everyone within the district to make a real effort, for their own sake, to utilize this equipment and exercise."

## Seek Carrier

Attention boys and girls! The Antioch News-Reporter is seeking a carrier to deliver copies of the paper to Antioch merchants on Wednesday afternoons.

Interested parties should contact Bill Schroeder, Jr. at the News-Reporter. Call (312)-395-8700.

## Cindy Baker Enters Plea Of Guilty

In a plea agreement presented to Associate Judge Thomas Lang on April 23, Cindy Baker pleaded guilty to the charge of failing to care for horses that she and her husband, James, owned and kept on their farm in Antioch.

The trial date for James Baker was continued until June 4.

Investigators said that the two were owners of approximately forty horses which were kept at their Antioch farm. Seven of the horses were found earlier this year suffering from severe malnutrition and mistreatment. Investigators found three dead horses and one dying of malnutrition.

The plea agreement provides for one year's court supervision for Mrs. Baker and stipulates that she must provide an adequate supply of food and water for the animals in her custody.

# County Elected Women To Gather May 10

All Lake County elected women officials in government are invited to attend an exploratory meeting on Saturday, May 10.

Lake County Coroner Barbara Richardson and State Rep. Virginia Frederick are the co-conveners of the meeting which is to be held at the new banquet facility at the Country Squire Restaurant, Rtes. 45 and 120, Grayslake.

The seminar will begin at 11 a.m. with registration and an opportunity for the elected women officials from throughout Lake County to become acquainted with women from every level of elected office. A noon luncheon will be followed by a keynote address by State Rep. Jane Barnes from the 38th Legislative Dist., whose topic will be "Making Government Work — Women Involved!"

A seven-member panel consisting of representatives from all areas of government will give a brief presentation of their personal political involvement which is being called "I Did It My Way." Members of the panel include: Verna Clayton, president village board, Buffalo Grove; Faith Boettcher-Sage, township clerk, Libertyville; Eleanor Roston, county board member, Waukegan; Evelyn Alexander, school board member, Dist. 123, North Chicago; Barbara Monsor, precinct committeeman, Lake Bluff;

Betty Niemi, assessor, Grant Twp; and Sue Gravenhorst, trustee, University of Illinois, Lake Forest.

A question and answer period will follow the panel's presentation and will include discussion for future organizational meetings. The Lake County seminar has been planned by Frederick and Richardson based on the statewide organization, Illinois Women in Government, which met in Springfield earlier this month.

According to planners, the purpose of the May 10 meeting is to determine whether women elected officials in Lake County would like to form a bipartisan organization whose purpose might be to develop a working relationship

among the various kinds of elective offices in Lake County, to educate women about governmental issues and the political process, to promote their participation in public affairs, and to offer assistance to women aspiring to become candidates in the future.

Because of the vast area of elective offices throughout Lake County, the planners are urging any woman who has not received an invitation to contact their office for further information. "We don't want to miss any woman who qualifies to become a woman involved in this venture," said Richardson.

The cost of the seminar will be \$12 and checks are to be sent to Lorraine Tweed, 1540 Greenleaf Ave., Lake Forest 60045, by May 5.

## Exchange Students Honored

The Antioch Rotary honored exchange students during youth exchange weekend April 24-26 in Antioch. Attending the opening luncheon at Sterbenz Little Acres were, back row, from left: Jose Carlos Grandio, Mexico; Edson Melo, Brazil; Timo Gronberg, Finland; and Stan Livermore, Antioch Rotarian. Front row, from left: Thanut Liengpanich, Thailand; Camilla Sigvartse, Denmark; Elizabeth Haley, Antioch; Laura Heffernan, Antioch; and Dorie Hubbard, Antioch host mother. Kneeling are Susie Boles of England, left, and Ronnie 'Jimbo' Olovson of Sweden. Olovson took the nickname, Jimbo, because he is a fan of Chicago Bears quarterback Jim McMahon.

## Antioch Teens Catch Saturday Night Fever

by CHARLES JOHNSTON

On Saturday nights at 7 p.m., teenagers from throughout the Antioch area gather at the old Channel Lake schoolhouse. Rather than books and notepads, though, the teens bring their dancing shoes. The little old schoolhouse ain't what it used to be.

Owned by the Windy City Circus Complex, a non-profit school for the performing circus arts, the schoolhouse is a training ground for future circus performers. The owners of the building and officials of The Dancin' Machine I, an entertainment company, entered into an agreement to hold dances for teenagers on Saturday nights.

Nancy Cannon, manager of The Dancin' Machine I, said that the project has been a great success. "We are getting about 100 teens every Saturday night," Cannon said. "We get kids from Mundelein, Grayslake, McHenry, Round Lake, Zion - anywhere that is within about a 25-minute drive."

Only children aged 13-19 are allowed to attend. The Dancin' Machine I issues its own

I.D.'s as well as accepting school I.D.'s to enforce the rule. Teens are charged a \$3 door fee for four hours of dancing and entertainment provided by professional d.j.'s.

Organizers provide a different theme for each dance. They have had a bunny ball for Easter, a St. Pat's contest, and a basketball shoot-off.

Besides the dances, organizers are planning to become a center for coordinating teen events. "We will help put together outings for the kids both on our own and at the suggestion of the teens, themselves," Cannon said.

The project has been successful enough that organizers are considering putting together a night during the week for pre-teens.

Cannon invites parents to come in and look around.

Many area residents point to the success of this program as an example of what private business can do to provide good, clean, wholesome fun for teenagers.

## Name Fisher Account Executive At Lakeland

Bill Schroeder, Jr., marketing director for Lakeland Newspapers, announced the appointment of Patrick P. Fisher as the new advertising account executive for the sales territory covering Antioch, Lake Villa, and the Bi-State areas.

Fisher, 23, is a graduate of Illinois State University. While at ISU, he majored in mass communications, was a member of Lambda Chi Alpha, and served in the ISU

sports information department.

Fisher attended high school in Moline. He was on the staff of the Moline High School newspaper, the Line-O-Type, and was active in theatre during his high school days.

Schroeder said, "We are very pleased to welcome Pat to the staff. He is an aggressive young man who, we believe, will become a very familiar face throughout the Antioch, Lake Villa, and Bi-State areas."

## Get Ready For Show

Everyone is invited to join in the fun at 1 p.m., on May 4, at Hoff's Columbia Bay (on Rte. 59, Lake Villa). Cocktail hour will begin at 11:30 a.m.

The Lakeland Newcomers will present spring and summer fashions by Four Squires and The Globe of Antioch and Thimbles of Hawthorn Mall.

For a donation of \$10, the Newcomers will provide lunch: a crabmeat crescent, including fruit of the season, wine and dessert.

There will also be many exciting prizes given away, generously donated by area merchants.

The fashions will be modeled by club members and will include women's, men's and children's styles.

Tickets may be purchased from Bobbi Payant, 42 Coventry Cove Ln., Lake Villa,

60046, or by calling Vickie Hunt, (312) 356-3858. Make checks payable to Lakeland Newcomers.

## Haviland To Try Out

Dean Haviland, son of Mr. and Mrs. Mike Haviland of Antioch, has been invited to try out for the national precision flight team. Haviland is the co-captain of Southern Illinois University's Flying Salukis flight team.

Tryouts for the national team will be held July 4 in De Queen, Ark. Those who make the team will compete in the international precision team flight contest to be held in Helsinki, Finland next year.

## Rotary Hosts Exchange Students

The Antioch Rotary Club hosted a youth exchange weekend April 24-26. Exchange students from throughout the world attended the opening luncheon held at Sterbenz Little Acres in Antioch. Attendees included, back row, from left: Paul Pavelski, Antioch Rotary pres.; Frank Hartwig, West Germany; Jean-Christophe Baxas, France; Chris Waters, Antioch; and Jeanette Sharman, South Africa. Front row, from left: Isabel Yalco, Phillipines; Patricia Fiuza, Brazil; and Nolwazi Dlamini, South Africa. Kneeling are Siri Bergsmo of Norway, left, and Rita Lipari of Brazil.

## Athlete Of The Week

Erica Jung, center, has been selected Athlete of the Week for the week ending April 20. In two track meets, Jung had three first place finishes; two in the 400-meter dash and one in the 200-meter dash. The Bank of Waukegan, Antioch facility, represented by Sally Kelly, left, contributed \$50 in Jung's name to the parent-teacher scholarship fund. Glenda Stark, girls' varsity track coach, right, attended the presentation.

# Victory Gets Green Light On Lindenhurst Project

by GLORIA DAVIS

The Lindenhurst Planning and Village Boards have given Victory Memorial Hospital the green light on its proposed nursing home and senior citizen housing project, to be built near the Lake Villa Dist. Library on Grand Ave.

The village board unanimously accepted the also unanimous recommendations of the planning board approving the annexation of the 60 acre Victory site and also the annexation of the corridor properties plus running along Grand Ave., leading to the nursing home site.

The corridor properties include the 150-acre Coltman property and 60 acres each owned by Stuart Olson and Dick Dittmer and Mr. and Mrs. Dick Dittmer, including property belonging to the YMCA camp grounds running between the two Dittmer properties.

The official groundbreaking for the nursing home-site has not been set as of yet. Concern over the adequacy of the Lake Villa sewer system, caused Victory to scrap its original plan and start negotiations with Lindenhurst for annexation.

The agreement between Victory and the owners of the corridor properties has the property owners paying for the running of the sewer and water mains down Grand Ave. to the Lindenhurst plants, besides donating to the schools and parks according to village ordinance.

This will open all that acreage along Grand Ave. for commercial development with sewer and water already available. Plans for the nursing facility are for a 50,000 square foot, two-story brick building, trimmed in other materials, designed in the

prairie style so, along with the landscaping, the nursing home will blend in with the surrounding residential area.

Future plans have an \$8 million, 200-250 unit senior citizen housing development being attached to the nursing facility. Victory Hospital's Outreach Center, now located in downtown Lake Villa, will also be moved to that site.

Hospital administration admits that there are possibilities of building a satellite hospital on the site in the future, 20-25 years from now, if and when it is decided that the area is in need of it.

# Ft. Sheridan Breaks Ground For New Center

Marking a new era of modernization and facilities expansion at Fort Sheridan, post commander Col. Stanley E. Thomas was host for formal groundbreaking ceremonies for a new 16,300 square foot concrete "Military Intelligence Training Center" structure.

A number of public officials attended the April ceremony, along with Fort Sheridan and Fourth U.S. Army staff personnel. A group of five symbolically turned the first shovels of soil for construction of the building and surrounding grounds. The last previous training structure completed at Fort Sheridan was the North Shore Memorial Reserve Center in 1976.

The program was preceded by a short concert by the Fourth U.S. Army Band, and featured welcoming remarks by Col. Thomas and a brief address by Col. John A. Seitz III of the Fourth Army staff, along with messages from Congressman John Porter (10th Dist.) and State Representative Grace Mary Stern.

Scheduled for completion and occupancy in March 1987, the building, estimated to cost \$1.5 million, will be used for training and instruction of Army Reserve soldiers in intelligence units from seven midwestern states (Illinois, Indiana, Iowa, Michigan, Minnesota, Ohio and Wisconsin).

The new Intelligence Training facility is said to be the second training center in the seven-state area served by Fourth Army. Other such centers are already in use in the Fifth Army (southwest) and Sixth Army (western) organizations.

Among other new projects scheduled for start of construction this year at Fort Sheridan are an expanded new post-exchange shopping complex and two multi-story permanent barracks structures, one to accommodate 168 soldiers and the other to house 104 troops.

Fort Sheridan's current expansion program coincides with the upcoming centennial celebration in 1987. The post has been a cavalry, artillery and officer training center. During World War II, about 500,000 midwestern draftees were processed both in and out of the Army.

Currently, there are 1400 active duty soldiers and about 1750 civilian specialists based at Fort Sheridan. Another 1450 military family members are residents in the installation's 496 family-quarters units.

## Students Reap Top Honors

Four Mundelein High School students are among a group of 1,000 students nationwide who won top honors in the 59th annual Scholastic Art Awards program. They are; Deirdre Hogan, 17-honorable mention in pottery; Stephanie Keese, 17-honorable mention in pottery; Lisa Lappe, 17-medal, pottery; and Jim Long, 18-medal, pottery.

More than 150,000 entries were submitted in the Scholastic Art Awards program this year. Entries were first judged at local levels in 64 sponsored regions around the country. Exhibits were held in January and February to display the outstanding work within each region.

Scholastic Art Awards are given annually in 14 categories covering painting, drawing, printmaking, design, sculpture and crafts.

## 'Baby' Steals Hearts Of Marriott's Audience

by GLORIA DAVSI

The human reproductive process, or havin' a "Baby," has never been more eloquently treated, and in the best of musical fashion, than in the current Marriott Lincolnshire Theater production.

six people do a superlative job of delivering a unique and arresting storyline, not to mention their fantastic musical performances, only matched by David Shire's zesty and whimsical score.

The young "expecting" college couple,

own.

One would have a hard time deciding which is stronger, these resonant voices or the emotional vibes that pass between these two straight to audience in their renditions of "Romance" and "With You".

Kathy Taylor and Joe D. Lauk ingratiate themselves to the audience as the prolific middle-agers. Taylor is the over-powering one of this duo. She's vivacious and vibrant, but that's the way it's supposed to be as Lauk plays the rather stogy husband to the hilt.

She's a classy lady, yet never once do either of the two younger gals get ahead of

her, as per the "I Want It All" number.

Taylor's version of "Patterns" is memorable.

The difficult cross-duets between these three couples, especially the title song, bring the house down, as do the guys in "Fatherhood Blues," and the gals in "I Want It All," my personal favorite.

Let's not forget the usual plaudits due Marriott's great resident musicians under the direction of Kevin Sites and the player that steals the show, the best dressed and only Bed I've ever seen with a personality. Hey that's where it all happens!

## Stage Review

Marriott's producer, Kary Walker, took no chances this time when he brought the best of Broadway to Lake County, from director Richard Maltby, Jr., to "Baby's" lead, Liz Callaway, a "hometown girl makes good" story all wrapped-up in one.

If winning a Tony Award, or being nominated for many, means anything, then "Baby" should pack them in until the end of its run.

The two pregnant, and third "trying to be that way" couples, are perfectly cast. These

played by Callaway and Dan Foster are as "today" as can be.

Their duet, "What Could Be Better," couldn't, and Callaway's "The Story Goes On," and "The Ladies Singin' Their Song," are standouts!

Foster's "I Chose Right" exudes that lovin' feeling.

The second couple, that keep trying and trying, played by Shannon Cochran and Russell Reneau, blend well together, yet the individual performances stand tall on their

Dining/Entertainment

Mom, we love you!

Let Us Help You Remember Your Special Person On Her Special Day - Sunday, May 11

Center Will Take Visitors Back Century

The Chicago Academy of Sciences has arranged an eventful day of fun for the entire family at Pleasant Valley Nature Center in Woodstock, on Saturday, May 10, 8:30 a.m. to 4:30 p.m. Discover what it was really like to have lived on a prairie.

Pre-registration is necessary. Call for a brochure with registration information and fees. Buses leave from behind the Academy on Stockton Dr. at 8:30 a.m., May 10. For more information, contact the Academy at (312) 549-0606.

A prairie pioneer, dressed in costume, dramatizes and demonstrates survival skills. Examine the tools he used to till his land and protect his family, and make a hand-dipped candle.

Comprised of three farms dating back to the 1830's, Pleasant Valley Nature Center has a restored prairie, an oak hickory forest and 460 acres of land.

The oldest property on Pleasant Valley Rd., North Farm, was tilled in the 1830's by an English immigrant, the first settler in the area. The dairy barn of South Farm, now used for dancing, was owned by Grafton

Twip's road commissioner, Edward Duffy, in 1845.

The third farm was purchased by Patrick Syron of Youngstown, Ohio, in 1850. Syron, along with his wife Bridget; sons, John, James and George; and daughters Mary, Ann and Bridget, lived on the land until the outbreak of the Civil War.

By war's end only the two youngest girls remained on the homestead with their parents and by 1870, they were gone. All records of the Syron family disappeared after 1884.

Pleasant Valley is a place of relaxation for everyone, a place to get away from it all.

It invites groups to come out year-round, for hayrides, farm tours and nature studies. While learning to use leisure time more effectively, visitors develop an awareness of the interrelationships of living things in the context of their environment.

Dining Guide

The good eating spots, whether you're in a hurry, seeking family dining or out for gourmet food for that "special occasion," are featured weekly in Lakeland Newspapers.

Setting-Up Theatre Camp

"Gimme Five" is the theme for Greasepaint and Spotlights' unique summer theatre camp being offered for students throughout Lake County in grades one through eight.

"Gimme Five" refers to the five courses taught in the camp curriculum-acting, singing, dancing, costuming and set building.

This year's summer theatre camp offers two sessions. Each runs from 9:30 a.m. to 3:30 p.m. Monday through Friday and ends with a one-act musical produced by the students under staff direction.

Session A begins June 23 and runs through July 11; Session B begins July 14 and runs through Aug. 1.

"This is a good time to take our summer theatre camp," said director Terrie Snell, "because we have added some new features."

"For example, we are arranging with a local professional theatre to give the campers a backstage tour, see the present show and see the actors."

Greasepaint and Spotlights summer theatre camp is held at its summer location at 125 W. Church St. (St. Lawrence Church) in Libertyville. Tuition is \$175 per child per session and may be paid by Visa or MasterCard. Registration is limited.

For more information, call (312) 680-8686.

New Foot Clinic

Physicians Ron Riegelhaupt and Nick Panacos have announced the opening of the North Lakes Foot and Ankle Clinic, 37 N. Whitney, Grayslake. The clinic will be offering free foot exams on Wednesday, May 7, from 10 a.m. until 2 p.m. Call (312) 223-1020 for an appointment. The clinic will be open every Wednesday at the above-mentioned hours.

Lawn Care And Gardening Needs

## Welcome to the big, beautiful world of trees

Trees add beauty and interest to our world. These sturdy friends are such a natural part of the outdoors that it is easy to forget that they come in a huge variety of shapes, sizes and even colors.

Trees have practical uses as well as being objects of beauty. A world without trees would be much less healthy and comfortable because they supply oxygen, make shade and cool the air around them.

Taking the time to find and plant a tree with the charac-

teristics you desire will bring many rewards to you and your family.

Once you have decided to buy a tree, Ortho's revised best-selling "All About Trees" is a good place to begin your search for the tree that best fits your needs.

### The variety of trees

Do you want a tree for purely aesthetic reasons—the interesting texture of the bark, its pleasant fragrance or the vivid color of its leaves?

Ortho's guide has a section that categorizes species of trees according to these and other characteristics.

There are trees that attract birds or that have especially attractive fruits or berries. Other varieties provide color in more than one season or look good in a grove.

Or are you selecting a tree for its practical purposes? Did you know that trees can be used to shield your home or backyard from noisy neighbors by creating a screen of

privacy?

"All About Trees" includes a section on trees that are particularly suitable for this purpose. If you want to soften the side of a building or a wall, certain species of trees are ideal.

Finally, some trees can withstand tough conditions, such as flooding, pollution, neglect, heat or seashore salt and wind.

### Tips for buying a tree

After you've decided upon

a species of tree because of its special characteristics, your job isn't over. Now it becomes important to select a healthy specimen that will thrive after planting.

"All About Trees" suggests you let these four points guide you on your shopping trip.

- Select a medium-sized tree. With a medium-sized tree, tips and roots are more likely to be balanced, providing a high tip-to-root ratio.

- Look for a well-formed, symmetrically branched root

system. The root system should be free of kinks or circling roots.

- Find a straight, tapered trunk that can stand alone and bend evenly. The trunk should be free of injury and "sun-burning," which splits, flattens or dulls bark.

- Finally, foliage should be dark green and evenly colored. Avoid trees with leaves that are scorched or yellow.

With these points in mind, you are well on your way to finding a healthy, long-living tree.

# Keep ticks out of your house

The brown dog tick is one of the most undesirable of all household pests. This insect seldom attacks animals other than dogs, but you may find them on your body or in your clothing after you have touched your dog or his favorite resting place.

But you don't have to banish your pet to the outdoors to prevent a tick infestation in your home. Ortho's FLEA-B-GON Flea & Tick Killer contains DURSABAN® insecticide, a professional-strength formula that has proven extremely successful for do-it-yourself pest control.

In order to learn where to spray this insecticide, you should know a little about the biology and habits of the brown dog tick.

The adult female lays from 1,000 to 3,000 eggs, which hatch anywhere from 19 to 60 days later. These baby seed ticks attach themselves to a dog for up to six days before dropping off to hide in a protected place somewhere in your home.

Three weeks later, the seed tick molts, becoming an eight-legged nymph, reddish brown in color. This older pest reattaches itself to your pet, feeds, drops from the dog, and hides again. The pest repeats this process once again before becoming a one-third-inch long

fully grown adult.

When a dog carrying ticks enters your home, some ticks may drop off and hide in protected places in your house. Favorite hiding places are:

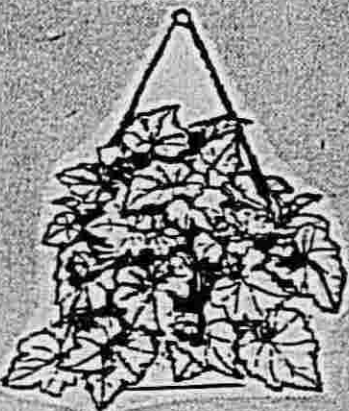

- Under the edge of the rug;
- In pet beds and nearby cracks and crevices;
- Along baseboards;
- In window and door frames.

Spray Ortho's FLEA-B-GON in all these areas. Remember to replace your pet's old bed after it has been disinfected, and be sure you don't treat your pet with this product.

## New formula provides mite control

Beautiful and valuable ornamentals could be in big trouble this spring if your neighborhood is in the travel plans of pests such as mites.

It doesn't take long for mites to devastate roses and other flowers, ornamentals, shrubs, and trees. Once they strike, mites can destroy your garden and backyard foliage within a few days.

ORTHENE, a highly effective contact and residual systemic insecticide, has been added to the proven miticide Kelthane in Ortho's ISOTOX Systemic Insect Control and has proven to be especially

effective against mites.

This combination of chemicals kills on contact, then the systemic insecticide ORTHENE penetrates the foliage for internal residual control.

Once inside the plant, the ORTHENE cannot be washed away by rain, and controls sucking and chewing insects for 10 to 15 days (aphid control lasts three weeks or longer). At the same time, these products offer low hazard to humans, wildlife, and the environment.

The chemicals break down in the soil so there is no danger

of buildup or accumulation in the natural food chain.

Ortho's ISOTOX Systemic Insect Control is effective against more than 30 types of insects and can be used safely on over 100 listed plants. It is compatible with fungicides and liquid fertilizers as well.

No special protective equipment is needed in handling this product, but, as with any chemicals, care should be taken to avoid contact with eyes, skin, or clothing, and label directions should be read and followed carefully.

Lawn Care And Gardening Needs

## Plant selection made easy

No matter how carefully you design your garden and cultivate the soil, placing the wrong plant in the wrong environment will undo all your planning in just a few short months.

Selecting easy maintenance plants that lend themselves to your particular garden does not have to be an arduous task.

### Questions to ask

You can simplify the process by first asking yourself the following questions:

- What is the climate like where I live?

- What do I want my garden to look like?
- Do I want to include fragrance plants?
- How much time do I want to spend caring for my plants?

First, get a climate map from the Department of Agriculture. Now, let's say, for example, you live in climate zone 6. Your garden is shady, yet you want to include a fragrant plant that blooms profusely in late summer and is trouble-free.

By using the Plant Selection Guide from Ortho's new book "Easy Maintenance Gar-

dening," you will learn that the bottlebush Buckeye, a deciduous shrub, fits this description exactly.

### Easy does it!

This plant selection guide introduces a number of plants that are known for requiring relatively little care. These plants have been listed by category to help you determine how to mix what you like with the type of plants you actually need.

You can also learn where to position your plants for optimal growth with minimal attention from you.

breeze  
on new leaves,  
it's Springtime.

### BEDDING PLANTS color the season

Here's one of our favorite  
SUMMER COLOR RECIPES:  
Blend colorful petunias with hardy geraniums  
and yellow daisies.  
Add touches of herbs

and low-maintenance groundcovers.  
Garnish with shade-loving impatiens  
and begonias.  
Arrange tenderly in a patio setting.  
Makes one serving  
for someone you love.

## Mom, we love you!

Let Us Help You Remember Your Special Person  
On Her Special Day — Sunday, May 11

### Set Opening Of 'Cactus Flower'

A bachelor dentist has a sure-fire gimmick to keep himself single. He simply tells his girl friend that he is married and has three children. But it backfires when he finds himself in love with her and asks her to marry him.

She demands to see the wife and children whose home she is wrecking, and so he has to produce a "wife." He turns to his nurse for the first role, and it is she who blossoms like a cactus flower the moment she steps out of her starched uniform.

Performance dates of "Cactus Flower," presented by the Hawthorn Woods

Women's Club, are May 2, 3, 9, 10, 16, and 17. All performances are at 8 p.m. in Hawthorn Woods, at the Hawthorn Woods village barn on Old McHenry Rd.

This year, all those attending the May 2 performance are invited to a gala opening night-champagne/hors d'oeuvre party immediately following the play.

Ticket donations are \$4.50 adults and \$2 students/senior citizens. For tickets, table reservations or any additional information, please call (312) 540-0278 or (312) 438-8817.

#### Adelines Sing

## Honor Local Volunteers

The Lambs, a national non-profit center for mentally retarded adults, honored the many individuals, community groups and service organizations who volunteered assistance to The Lambs in 1985.

One hundred and thirty-six individuals received cer-

tificates of appreciation for volunteering more than 25 hours of service to The Lambs at a special "Thank You" brunch held April 12 at The Lambs County Inn Restaurant.

Also honored were the many community and service groups who have continually offered valuable

help to The Lambs' sports and recreation programs, special events and business operations, including the U.S. Navy, the Lake County Sheriff's Reserve Deputies, the Lake County Rangers, the Telephone Pioneers of America and the Chefs of Cuisine Assn. of Chicago.

Volunteers find the time to share their talents, skills and interests in so many ways at The Lambs," states Virginia Denton, Lambs' volunteer coordinator. "The Lambs is deeply grateful for the dedicated volunteer assistance extended to all areas of The Lambs' program."

Honored Lambs' volunteers from the area are:

From Gurnee — Jean Clark, Jesse Cobb, Bill Hahn, Georgene Hrdlicka and Nancy Kravcisin-McClain.

From Mundelein — Dr. Michael Greenberg, Beth Herman, Pat McAllister, Catherine Schwaba and Dr. Dave Zeffery.

From Wauconda — Elinor Francisco, Ann Vanderwall and Russ Vanderwall.

Also, Bob Smith and Betty Smith of New Munster.

## Guest Director

George Foeller, Ill., State University, will be a guest director of the College of Lake County's Wind ensemble, at a concert at 7:30 p.m., on May 4, in the Orange Court, on the college's Grayslake campus.

## CLC Recognizes Budding Writers

The winners of the 1986 Willow Review, the College of Lake County (CLC) literary magazine, creative writing contest will read their works on the Grayslake campus, April 17 at 7 p.m. in room A206.

Winners were selected from over 500 pages of manuscript, according to CLC English instructor Paulette Roeske. First place winners in both the fiction and poetry categories as well as second and third place poetry winners will have their work displayed in the college Community Gallery of Art.

First place winner in poetry competition was Dennis Augustyn of Grayslake.

He received \$100 and the Terence O'Hara Aldrich Memorial Writing Award.

Second place winner was Kevin Kann of Libertyville. He was awarded \$50. Aviva Monk of Round Lake Beach won third place and \$25.

Larry Starzec of Grayslake won first place in fiction competition. He received \$100 and the Terence O'Hara Aldrich Memorial Writing Award.

Second place in fiction went to Richard DuPont of Lake Villa, a CLC student.

Third place was awarded to Neal Lulofs, a CLC student from Round Lake Beach. Second place was awarded \$50 and third place was awarded \$25.

## Sponsor Barn-Dance

May's barn dance, sponsored by the David Adler Cultural Center, will be on Saturday, May 3, at 8 p.m. at Adler School, 1740 N. Milwaukee Ave., Libertyville.

Dances and steps are walked through first, so that everyone from the youngest first-time dancer to the oldest expert can join right in the fun and dance the night away. Local string-band players provide the music, aided and abetted by talented and patient callers. Admission is \$3.

## Along the way with ANNIE MAE

Congratulations to Tom and Sheila Dvorak! A baby boy was born April 27 at 7 lbs., 7 oz. and he has been named Daniel Thomas. He is going to have lots of fun with his new cousins, Quinn Haley and Andrew Turner. It is certainly a time for boys! Quinn is John and Christy Haley's and Andrew is Steve and Mary Turner's. I think those gals are going to have their hands full when they get together for a coffee klutch! Ha! Annie Mae remembers those days well!

Didn't we have a beautiful weekend? There were lots and lots of boats all over the chain and of course many fishermen trying their luck. I noticed people in the parks and lawn chairs all about town. It smelled like summer...or was it sun tan lotion? Let's hope it stays but, of course, we could have

snow next week as we did the week before. It is an exciting time of the year—you never know what will happen nor what to wear for the day until you get up.

Congratulations and good luck to Ted and Fizz Smith on the opening of their new business, The Patio. It looks so fresh and new and the food is just as you remember at Patty's Lounge! Be sure to put it on your agenda for this week's night out.

Congratulations are in order for all of those confirmed this weekend! A few that I have heard of were Kelly Brausam, Amy Harasti, Kelly Burell and Jimmy Mihovilovich.

My goodness—have you noticed that April appears to be a real congratulations month? I hope the months ahead are as good! Have a good week and keep the umbrella handy!

## AARP Holds Meeting

The Antioch area chapter 387 of the American Assn. of Retired Persons (AARP) met on April 22. President Sam Lombardo spoke of bills that would be coming up in the Illinois Senate.

Robert Ullrich, state legislative committee; Urban Raef, 2nd vice pres.

(representing Pres. Lombardo); and Bob Krieger, chapter 387 legislative representative are at a seminar in Elgin and will have information for the association at a future meeting.

Carole A. Aston, AARP area 5 associate representative, gave a talk on knowing your rights. Phone number and a booklet were distributed regarding who to contact if you have any difficulties with medical payments.

There will be a catered lunch at the next meeting to be held at the Antioch Senior

Center on May 13. The nominating committee will

present the slate for the upcoming elections.

## Ardeen Says PTO Will Stage Festive Dinner

by ARDEEN HARRIS  
395-2761

This is the weekend you have been waiting for. The fun fair is Saturday, May 3, from 1 til 4 p.m. The place—Grass Lake School—located 2 miles west of Rte. 59 on Grass Lake Road. Help support the Grass Lake P.T.O.!

More news to report on the Grass Lake P.T.O. dinner dance which will be held on May 16 with cocktails at 6:30 and dinner at 7:30. There will be roast beef and chicken on the buffet table and the cost will be \$11 a person. The place will be Harbor Ridge Country Club and the entertainment will be the

## Grass Lake News

Dancing Machine I. Contact Linda Boerman, Chris Priller, Bonnie Dembinski, Lorrie Christopolus or Marie Brausam for tickets.

I would like to make a

clarification on last week's column. I am not a member of the Daisy Circle and have no idea what it is about. The last two paragraphs were

added to my column from another paper.

The Pack 80 spaghetti dinner was a huge success and the pack would like to thank everyone who supported the dinner. Congratulations to the following lucky raffle winners: Mrs. Arnold Emmerling (3 foot sub. from Antioch White Hen), Mrs. Chris Marsala (\$5 gift certificate from Kings Drug), Mrs. Clauson (\$5 gift certificate from Jewel), Matt Flesham (\$5 gift certificate from Jewel), Mrs. Madden (beverage set from True Value, Antioch), Peggy Castillo (bowl set from Antioch True Value), Frank Walsh (jig saw puzzle from Jackie Hallmark), Tom Milowski (picnic basket from Osco), Dave Milowski (a gallon of pop corn from All Weighs), Dolly Wojtherwica (\$10 gift certificate from Ben Franklin), Mr. Weiss, (a cross stitch kit from Rainbow Arts and Crafts), Laverne Owens (scarf from Barnstables), and Frank Olenick (scarf from Barnstables). J.J. and Frank Olenick won a board game

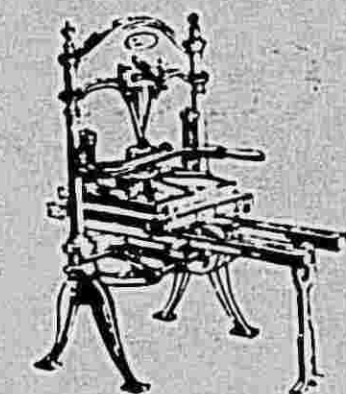

from the Antioch Sports Center and a \$5 gift certificate from J.J. Blinksers. Congratulations to you all!

All monies earned from this special dinner will help purchase awards and pins for the pack and will help sponsor future trips for the scouts. Special thanks go to the pack chefs: Al Vandrush, Pat Priller, Gene Ward, Pete Marsala, Rick Komperda and John Flesham. These guys worked all day long to make this a special event for everyone involved.

Special get well wishes go to Peggy McNamara who is recuperating from surgery, and to Ray Liss. Get well soon!

Another note regarding a bus driver at Grass Lake School. Please call (312) 395-1550 if you are interested in driving a school bus. The office will give you the necessary information needed.

Isn't the weather great? Let's hope the snow stays away and the sun keeps shining! Remember to call with your news!

## The Time Machine

FIFTY YEARS AGO: April 30, 1936

Einar Sorenson of Channel Lake won an overwhelming victory as vice-chairman of the Lake County Democratic party, defeating William Schaufel by a vote of 10,200 - 2665.

Jim McMillen, Antioch's own heavy-weight wrestler, had a bout scheduled with former world champion Danno O'Mahoney at the Chicago Coliseum. McMillen said a victory would give him the chance to go for a title bout.

The women's page of the Antioch News advised ladies on how to save time and energy while keeping their kitchen spotless and shining. Gloria Steinem was not reported to have objected.

The editorial page advised local merchants that newspaper advertising is crucial to the survival of friendly towns and, what's more, that such advertising was simple common courtesy.

The Antioch Garage advertised Firestone tires for sale. Prices ranged from \$4.75 for the bargain model all the way up to \$6.05 for the top of the line.

THIRTY YEARS AGO: May 3, 1956

Supt. Richard Whitacre predicted that enrollment of the Antioch Grade School system would have an enrollment of 800 within three years and that they would need a new building for grades 1-6.

Joe Patrovsky, president of the Antioch Chamber of Commerce, announced that Ray Weber, advertising manager of Swift & Co. of would be the main speaker at the Chamber's dinner meeting.

Ground-breaking ceremonies for St. Peter's \$150,000 new convent were held.

The editorial page criticized the retention of farm price supports after the war as a needless waste that was costing the entire country too much.

The popular movie of the week was Mister Roberts, starring Henry Fonda and James Cagney.

TEN YEARS AGO: April 28, 1976

Preston Reckers, program chairman of the Antioch Chamber of Commerce, announced an intensive anti-shoplifting campaign that the Chamber would run.

Bicentennial themes continued to dominate the news as the Antioch Woman's Club enjoyed a program about Colonial Williamsburg presented by Ann Connors.

Nick Marucci was named the new golf pro at the Antioch Country Club.

Antioch High School's baseball Sequoits lost the lead of the conference as their record dropped to 4-4.

## The Price Was Right

Antioch resident Harry Lengvenis won a Bontempi electronic keyboard when he appeared as a contestant on the popular NBC game show, The Price Is Right. A-Major Music, Inc. of Waukegan furnished the prize.

## Announce Schedule

Chain Of Lakes Senior Services provides transportation for seniors to the doctor, dentist, etc. by appointment. Call (312) 395-5161 between 9 a.m. and 3 p.m.

The following is the transportation schedule for the month of May: Thursday, May 1—shopping in

Antioch and Senior Center; Friday, May 2—Factory Outlet, Bristol; Monday, May 5—Antioch Senior Center and Lakehurst; Thursday, May 8—shopping in Antioch; Friday, May 9—garage sales.

## Caramel Corn Day On Tap For May 2

For the sixth time since Caramel Corn Day was established, Lionesses will be out in force joining together in a spring fundraising project to help the deaf and blind on Friday, May 2.

Throughout the day, at major intersections, in shopping malls and public plazas, wherever the public gathers, the women will be accepting donations and

giving away caramel corn.

"It's for a good cause—the best of causes," said Ed Carter, state chairman of the Lioness program. "The money we raise on Caramel Corn Day goes to the support of blind and deaf citizens through various statewide programs supported by the Lions of Illinois Foundation, 7321 W. Lake St., River Forest, Ill.

The foundation, a

charitable agency, represents all of the 150 Lioness clubs in the state as well as the state's more than 650 Lions clubs.

"Since Caramel Corn Day began six years ago," said Carter, "the public has been more than generous in appreciation of the work the Lionesses do in support of

the blind and the deaf, and we hope that they will continue to respond, since with various government cutbacks, both at the state and local levels, the need is even greater than ever."

All funds will be used to benefit the blind, visually impaired, deaf and hearing impaired.

## LCAVC Students Win State Honors

Lake County Area Vocational Center students won honors at the 22nd Annual Illinois Industrial Clubs of America (VICA) Skill Olympics held in Springfield.

These students had to rank in the top 20 on a written examination in order to be invited to the state competition.

In addition to plaques and medals, some first place winners were given scholarships, tools and equipment useful in their specific vocational field.

Those students winning honors were: Carpentry: 1st Place—Carl Callsen, Dist. 214; 2nd Place—Mike Stanek, Antioch H.S. Commercial Food Service: 3rd Place—Cheryl Castellanos, Grayslake H.S.; 6th Place—Ian Cummings, Round Lake H.S. Cosmetology: 2nd Place—Katrina Meyer, Antioch H.S.; 3rd Place—

Victoria Knourek, Carmel H.S. for Girls; Business Data Processing: 1st Place—John Buijk, Round Lake H.S.; 2nd Place—Kelly Daun, Wauconda H.S.; 3rd Place—Kevin Thorne, Grant H.S.; 4th Place—Spencer Mauk, Grant H.S.

Commercial Photography: 1st Place—Brian Hurt, Wauconda H.S.;

Firefighting: 5th Place—Mike Young, Wauconda H.S.; Small Engine Repair: 1st Place—Dennis Burdick, Wauconda H.S.; 4th Place—Jeff Lacas, Antioch H.S.; 6th Place—Don Current, Richmond-Burton H.S.; Plumbing: 1st Place—Brian Thoren,

Antioch H.S.; Horticulture-Craft Centerpiece: 1st Place—Lorie Haynie, Johnsbury H.S.; 3rd Place—Suzanne Kipping, Johnsbury H.S.; Horticulture-Fresh Centerpiece: 2nd Place—Suzanne Kipping, Johnsbury H.S.

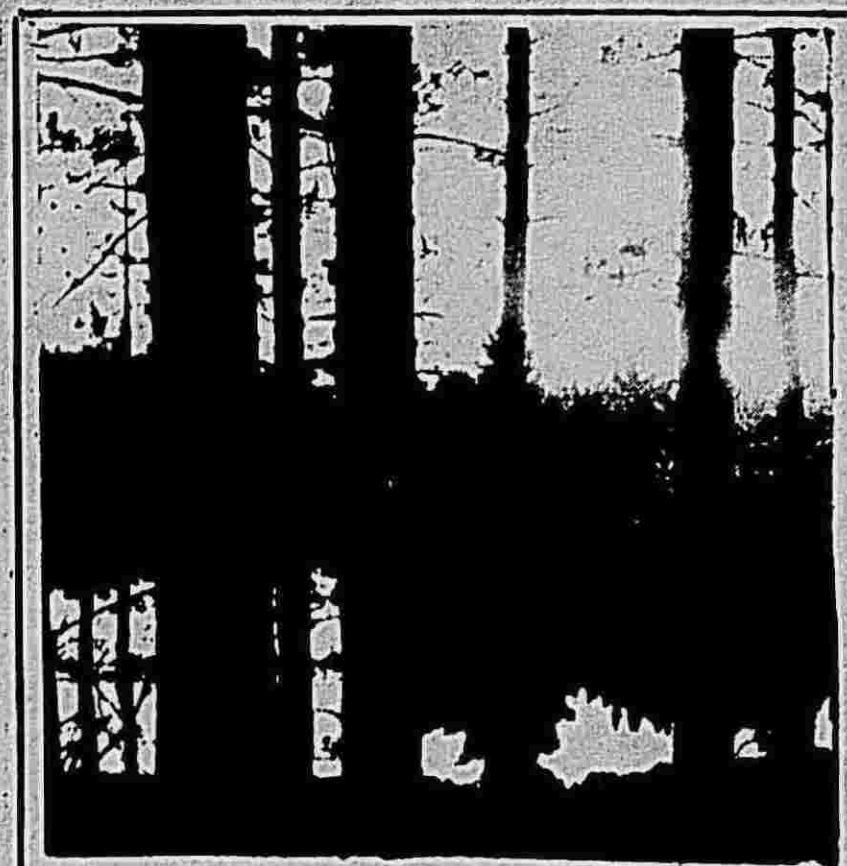

## Slate Fair

Beach Elementary School in Round Lake Beach will be holding its annual fun fair Saturday, May 3, from 10 a.m. until 3 p.m.

There will be various rides, drawings and cotton candy, hot dogs and beverages for consumption throughout the day, along with a health exhibit by St. Therese Hospital in Waukegan.

All proceeds will go toward school field trips and payments for a new copy machine at the school.

## Women's Political Caucus To Schedule Meeting

The National Women's Political Caucus of Lake County will hold its spring potluck and election of officers from noon until 2:30 p.m. on Sunday, May 4 at the Libertyville Twp. Hall, 359 Merrill Ave., Libertyville. Suggested donation is \$2.

The topic will be, "How does the Job Training Partnership Act (JTPA) provide job training-

employment for the economically disadvantaged in Lake County?" Other concerns to be addressed are: if the program can respond to women's needs for child care to make job training possible, the type of assistance available for workers who have been displaced by plant closings and how JTPA serves youth and the elderly.

Guest speakers will be Chris Stevens, executive director of Job Training Partnership Act, Lake County; and Marcia Trinski, private sector member, Private Industry Council.

For information, call Jean Nixon, (312) 432-5612, or 784-5100 ext. 3119; or Marie Zaengle, (312) 367-8009, or 367-4900.

## New Party Candidates May Start Petitions May 6

"New political party candidates seeking election at the Nov. 4 General Election may begin circulating their nominating petitions on Tuesday, May 6," announced Lake County Clerk Linda Hess.

Requirements for seeking office as a new political party candidate depend on the office, but generally are the same as for an established political party. Hess noted, "A new political party must file a complete slate of candidates for all

offices to be filled in the district in which the party is seeking office."

"Once the new political party candidates have circulated their petitions, these papers must then be filed with the county clerk's office between July 23 and Aug. 4," added Hess.

The nomination papers are available in the Elections

Dept. of the Lake County Clerk's office, Room 101A in the County Building, 18 N. County St., Waukegan. The office is open from 8:30 a.m. to 5 p.m., Monday thru Thursday, and on Friday from 8:30 a.m. to 7:30 p.m.

Interested candidates may also call the office at (312) 360-6632 for additional information.

## May 2 Is Deadline

The Lake County Forest Preserve Dist. has announced that May 2 is the application deadline for summer employment.

Thirty positions are available through the Youth Conservation Corps program.

Donald Strenger, president of the Lake County Forest Preserve Dist., urges interested youths to contact Larry Bakanec, YCC program coordinator for an application and more information.

He stated, "The positions will be filled by a lottery drawing on May 3, at 10 a.m., at the district headquarters, Libertyville. Applicants need not be present to be selected."

## Name Student Achievers

Four Lakeland area College of Lake County students were recognized as recipients of the Student Achievement Recognition Awards at the annual honors convocation.

The Student Senate sponsored the recognition program to honor individual student achievement. Winners were awarded a \$100 U.S. Savings Bond and their names are placed on a permanent college plaque on the Grayslake campus.

This year's recipients were: Homayoon Akhiani, Park City; Sharon Harris, Ingleside; John Kelly, Lake Villa; and Richard Springer, Grayslake.

Entrants must have completed at least nine semester hours at CLC and be currently enrolled. The basis of selection involves the student's establishment of educational goals and the degree of progress made toward attainment of these goals.

## New Era For Chain

All of a sudden the beleaguered and ignored Chain O'Lakes area is in line for significant state funding for the start of a long-sought rehabilitation program.

Gov. James R. Thompson personally announced the commitment of more than \$1.2 million in state funds to improve the important recreational area and irreplaceable natural resource. Not since the administration of Gov. William Stratton 30 years ago has the state earmarked public funds of this magnitude for Chain O'Lakes improvement.

Without a doubt, the creation of the Fox River-Chain O'Lakes Water Management Agency by the voters of Lake and McHenry counties was a key step in sparking state financial involvement. The \$1.2 million commitment will go basically to purchase land for "spoils" disposal points, the areas

where dredged materials are deposited. The dredging will be financed by the water management agency to provide adequate water depth for boating and flood control. Thompson's tab for the Chain breaks down to \$500,000 from reappropriated capital finds and \$700,000 that will have to be worked into the FY 1987 budget. State Sen. Jack Schaeffer will have the job of corralling the latter amount in the General Assembly.

Perhaps just as important as the funding commitment is the governor's pledge that the Depts. of Conservation, Environmental Protection Agency and the Div. of Water Resources of the Dept. of Transportation will work with the water management agency to develop a master plan for the use and maintenance of the nine lakes in the Chain.

Without a doubt, a new era has dawned for the Chain O'Lakes.

## Globe-Trotting Governor

The visit by Governor Thompson to Fox Lake and Wadsworth last week was quite a switch. Thompson had just returned from a tour of the Orient. He came from the land of the rising sun to visit the region of muddy waters.

As part of his visit to the Chain O' Lakes, Thompson took a brief boat tour of Fox Lake. Observers were not sure whether to feel embarrassed or vindicated as the motors of the boats in the governor's entourage stirred up thick, brown muck from the lake bottom upon leaving the dock.

Passing under the Rte. 12 bridge, one could not help but note the irony of the situation. The governor, who had undoubtedly dined on fresh sushi while in Japan, was forced to gaze at moldy sea shoes under the bridge - as well as old cans, bottles, and other assorted trash.

Perhaps some of the oriental tradition of putting environmental issues at the top of the list rubbed off on the governor. For whatever reason, Thompson came off like Mr. Environmentalist during his visit to Fox Lake. He got a loud, sustained round of applause when he promised to bring the Chain O' Lakes back to the glory they once had.

A short boat ride in the murky waters of Fox Lake may not be as glamorous as an extended trip to exotic lands in the East, but in an election year, it is worth a lot more votes.

As far as we are concerned, the governor can do all the globe-trotting he wants as long as he comes back with jobs in his pocket and an environmental crusader's gleam in his eye.

## Editor's Viewpoint

### Arlington Park Eyes New Home Near Lakeland

by BILL SCHROEDER

Chances are excellent that approval of parimutuel betting in Wisconsin will trigger a decision by owners of Arlington Park Race Track to build a new track in southeastern Wisconsin, probably a site off I-94 just north of the stateline. That's a stone's throw from the Lakeland area.

Political observers in Wisconsin feel that enabling legislation in the state assembly and referendum approval of legalized gambling have a good chance of passing.

Arlington Park owners would love to relocate for two overriding reasons: 1. Better location in their Chicago-Milwaukee market; 2. Get away from Illinois tax laws.

Parimutuel taxes in Illinois are among the highest in the country, according to Gerald Lahey, executive vice president of Duchossois Enterprises, Arlington owners.

Lahey has confirmed reports that an intensive site search is in progress. Timing is important. While track owners are waiting for legal machinery to be put in place in Wisconsin, they'll conduct limited racing at the park destroyed by fire July 31 last year and seek a site. At the same time, they'll be doing rough design work on a hotel and resort complex to go along with the track.

The success of Great America obviously hasn't gone unnoticed by the owners of Arlington Park. In Kenosha County they'd be "down the road" from the amusement magnet. It all makes marketing sense. The present Arlington Park site pinched in along Rte. 14 in Arlington Heights isn't desirable at all, no matter what Arlington Heights drum beaters proclaim.

The possibility of the famous track with an accompanying recreational complex coming to the stateline area all but knocks out dreams of a sports complex in Warren Twp. along the tollway. There just wouldn't be need for another colossus.

The reality of Arlington Park finding a new home off I-94 in the stateline vicinity brings to mind a tongue-in-cheek feature written for this newspaper nearly 20 years ago by the late Spen Jorgensen, Lake County's great newspaperman. Spen had a lot of fun writing about how Papa George Halas was going to build a football palace in Newport Twp. west of Zion when the Bears were getting ready to vacate Wrigley Field. As such things go, a lot of people took Spen's story as gospel instead of the spoof that it was. Spen would have delighted in the fact that he was only a few miles off target in locating a gigantic new sports emporium.

## Letters To The Editor

### Fending Off Dogs

Editor:

In regards to your Pet-wise article.

I am a retired U.S. Postal Service letter carrier and I have been bitten several times by dogs I did not see in time to avoid or use the dog repellent "Halt." Each time I was bitten, the police were called and the dog impounded, the owner given a ticket for allowing his dog to run loose. I was taken to a doctor or hospital for a tetanus shot and if needed the wound was stitched.

The owner of the dog paid a fine for allowing his dog to run loose, paid my doctor or hospital bill as well as paying the fee charged by the dog pound for feeding and lodging the dog, plus a fee for the dog to have a tetanus shot if needed.

Were I to see the dog loose in time, I returned the patron's mail to the post office with the notation, "Dog" and the date written on it and took the mail out again the following day.

If the dog surprised me and I was able to, I would use the dog repellent "Halt", (Cheyenne Pepper & Mineral Oil) to repel the dog and protect myself. If the owner of the dog called the post office to protest my use of "Halt", they were asked, was your dog loose? If so the letter carrier has a right to defend himself. Leash your dog so the letter carrier is able to reach your mailbox with no danger to him and I assure you, the carrier will not use the repellent.

Keep in mind, you, not the letter carrier or the postal service must pay the fine, doctor and/or hospital bill and the fee for impounding the dog.

Alvin H. Sherwood

 Letter Carrier, Retired  
 Round Lake

### Sticky Sticker Problem

Editor:

I have no objection to paying a reasonable user fee in order to clean up and improve the Chain O'Lakes, as long as the income generated from this fee is used strictly for that purpose. Anyone who uses the chain realizes it needs some help.

In reading the application from the Chain O'Lakes-Fox River Water Management Agency, it states that the sticker which they will issue must be placed "midway between bow and stern on both sides of boat." I realize this location will make it easier for officials to tell if a boater has paid his fee. I, as well as many boat owners I have talked to, strongly object to putting a sticker in the middle of the boat where it will stick out like a sore thumb.

Most boats on the chain cost as much and frequently more than a luxury car. What would your reaction be if the city required you to place the vehicle sticker in the center of both front doors of your new car? It certainly wouldn't improve the appearance. Aesthetics is just as important to a boat owner as it is to a car owner.

I am proposing three alternate locations for this sticker, any of which make more sense and would not be so offensive. One is before the registration numbers on each side of the bow. The second is after the Dept. of Conservation sticker on each side of the bow. A third alternative is the lower corner of the passenger side of the windshield. Any one of these locations would be much less obtrusive.

Jeffrey S. Krueger  
 Lindenhurst

### Sophomoric Year

Editor:

The recent annual town board meeting of Lake Villa Twp. set an all-time record for poor attendance. Usually, this annual event for all the citizens of the township is conducted before a standing room only audience.

This TIP party gathering, the elected officials outnumbered the "interested citizens."

Passed out material showing the figures of each department or category were read off by the moderator and without much explanation, were accepted as read and approved forthwith. It was difficult for the average citizen to follow the numbers being read off and to try to understand what they all meant, and further to question their validity. But since then I have had the time to study their figures and have come to some conclusions.

I do not profess to be a CPA, but I have in my lifetime balanced my check book without difficulties and so I think I know a little about accounting, etc. First of all, I question their statements made many times that the previous administration left them practically penniless. The material received at the meeting showed that the beginning balance of the fiscal year was \$334,012. The ending balance as of March 31 was \$284,946. The total receipts for their first year in office was \$1,326,920.60. Their expenditure total amounted to \$1,041,974, leaving a balance of \$284,946 to work with until the new taxes come in. Another interesting figure was general assistance. With receipts of \$304,752.41 and expenditures of \$135,337.47, leaving a balance of \$169,414.94 or 55.6 percent of the total budget for GA. That's a lot of money to carry over.

Ride. Total receipts including reimbursement was \$12,164.70, expenditures amounted to two-and-one third times that amount. A very expensive taxi service.

To summarize one year in office I would categorize this board as being sophomoric, prone to irresponsible ideas and suggestions, and lacking a strong leader. Rumors of tax referendums next November lead me to believe the Lindenhurst cabal with their record of increasing taxes has people worried and especially annexation to Lindenhurst. The Fire/Rescue Squad problem is still not solved and many other nagging implications. What the people want today is a board that will operate efficiently and quietly at the lowest possible cost, no new gimmicks, machines, consultants or experts.

Ed. Quirsfeld  
 Lake Villa

### Availability Of Porn

Editor:

Before the decision of the Southland Corp. to remove adult magazines from corporately-owned 7-Eleven stores, the franchise owners' position seemed to be that they would follow the lead of the corporation. Now that the lead has reversed, these owners have suddenly elected to exercise their independence. Perhaps the quote by one franchisee reveals the reason - "We sell a lot of magazines...."

The real issue, however, is not the independence of the franchise owners, or even the profit realized from pornography. The issue is, are these "adult" magazines harmful? Do they contribute to violence, crime and the abuse of (primarily) women and children? If so, there are no valid arguments in defense of their open sale. The Southland Corp. has gone on record agreeing with the findings of the Attorney General's Commission on Pornography: that exposure to pornography does, in fact, contribute to violence and sexual abuse. As responsible citizens, we need to put our moral obligations before the almighty dollar. We know from experience that God rewards us personally and corporately for doing what is right, not

## Limos, Pink Tuxs, Deejaays: 1986 Prom Look

BY GLORIA DAVIS

Prom night has always been an exceptional night for teenagers. The memories of that special date, what was worn, what kind of flowers were received and where the "gang" spent the afterglow and the next day, will be etched in their memory books for years to come.

During the social rebellion of the 1960s and early 1970s, the attendance at proms sank to an all time low, a reflection of the days of thumbs down on the "establishment."

But in the last few years, now that the finer things in life are back in style, (witness the popularity of "Dynasty" and "Dallas") more and more high school students are going to the prom just like mom, dad, grandmother and grandfather did. Local high schools report that prom attendance has grown each of the last five years.

In the last heyday of the prom, the 1950's, the total cost of going to the senior prom ran in the area of \$145, give or take \$5 or \$10.

Tickets to the prom were priced at \$15-\$20 per couple. A strapless, waltz-length swirl of netting and taffeta (the in formal) was priced at \$50. His tux (white dinner jacket and black pants and pink carnation-75 cents) rented for \$25.

The lucky girl that got an orchid was dating a big spender, they were at a \$5 premium. If the fragrant gardenia was her favorite, he forked over \$2.50 to \$3.

Most proms were just dances then and the kids headed to the fanciest place in town for dinner right after the grand march and the crowning of the king and queen was over. The cost of this aftermath could amount to \$25, if there was a floor show, \$35.

Yes, the day after was usually reserved for a trip to the beach, the dunes, etc., just like in 1986.

The kids that swing at 1986's prom spend considerably more but a sum proportionate with other cost increases and salary hikes.

Today's prom dress, many done in bouffant styles similar to the feminine dresses their mom's wore when "At The Hop" and "Stardust" headed the tunes being played, carry a \$100-\$200 price tag.

It costs from \$40 (prom special) to \$65 to rent his tuxedo (pink jackets and pants are leading the tux parade).

Today's prom tickets are from \$30 to \$45 a couple, but most of these are for dinner-dances.

Her wrist corsage, flower-laden fan or nosegay will set Romeo back \$20. She will spend \$5-\$8 for his boutonniere.

Whereas kids usually borrowed their dad's car in the 1950s, many of today's teens have their own cars. Some even get three or four couples together and split the cost of renting a limousine.

So today, the cost of prom night can run upwards of \$350.

Warren Twp. High School was the first school in the area to hold prom, on April 25, at the Chevy Chase Country Club in Wheeling.

Warren had a junior prom, juniors and seniors are the only ones who could buy the \$35 per couple tickets, but they were allowed to invite underclassmen to be their dates. Warren crowned a junior queen, after choosing a junior court.

Warren's theme was "If You Were Here" and The Yanks were the evening's musickers.

Carmel High Schools (boys and girls) are also set to party at Chevy Chase on Friday, May 2, to the music of the Grand Staff Band, for \$42.

Central High School in Salem has its junior prom scheduled for May 3, at the Hilton Inn in Lake Geneva. Central not only crowns and junior king and queen, chosen from a large male and female court, but the mini-king and queen usually steal the show at the coronation.

The dinner-dance tickets are \$35 per couple, the theme will be "Dreams To Remember," and Elite DeeJay, Chicago, will furnish the dancing music. All classes can attend.

Antioch High School will have its prom on Friday, May 9, at the Marriott O'Hare. The theme this year is "On The Edge Of A Dream." A junior prom king and queen will be crowned that evening.

Grant, Grayslake and Mundelein High Schools will all be dancing up a storm on Saturday, May 10.

Grant's junior prom, held in honor of the seniors, will be at the Mundelein Holiday Inn where a senior queen will be crowned. Like all other Lake County schools, only juniors and seniors can purchase tickets to this one.

Grayslake's big event is slated for the Sheraton Inn, Waukegan. The Rams will crown both a king and queen that evening.

Mundelein will be rockin' at the Gurnee Holiday Inn at \$45 a ticket.

Wauconda, Round Lake

## Condell Honors Teens

Teen volunteers were the guests of honor at the Teen Volunteer Award Ceremony held by Condell Memorial Hospital.

Four volunteers, Lee Kuhlman, Jan Kincheloe, Diane Whaley and Nancy Seiler, also served as tour guides for parents attending the special program.

Recipients of 200-hour pins were Jean Gartzke, Robert Goska, Shannon Sullivan and Diane Whaley, while Angela Davison and Kim Zych received 100-hour awards.

Honored for 50 hours of volunteer service were Vincent Bendinelli, Barbara Bendt, Jennifer Cabal, Vanessa Hart, Tanya Kaup, Jeanie Kim, Jan Kincheloe, Lee Kuhlman and Nancy Seiler.

The honor roll of teen volunteers included Marcey Bentley, Corkey Cole, Kathy Constantine, Shannon Dean, Michelle Eagleeye, Darylinn Geisen, Jean Kim, Norma Lara, Judy Logsdon, Margaret Meyers, Jennie Miller, Melissa Myers and Kristin Nelson.

Other teen volunteers on the honor roll were Rebecca Parmalee, Maria Partida, Jolene Payne, Lorraine Perez, Pamela Portal, Cheryl Ripley, Cindy Sanchez, Nancy Schilling, Peter Simon, Wendy Slater, Lisa Ward and Leslie Wright.

and Wilmot all are set to do their thing on Saturday, May 17.

Wauconda students will dine and dance to the music of The Production Co., at the Northern Chalet in Libertyville, the theme, "This Could Be The Night." A junior queen and king will be crowned.

crowned.

Round Lake will be tripping the light fantastic at the Mundelein Holiday Inn and Wilmot will be doin' it at Nippersink to the tunes of Dorian Gray. Wilmot's theme is "A Night In Heaven." Even underclassmen can purchase

\$38 tickets to dine, dance and watch two lucky juniors named 1986's king and queen.

Many of the schools are selling prom tickets singularly for a little more than half of the couple's price, so singles can attend.

## Gamma Rays Invading Present Food Supply

Question: Is our food being "radiated" as a form of preservative?

Answer: Much of our present food supply is irradiated with gamma rays or "non" radioactive beams of energy that kill insects and bacteria. The federal government, along with the Dept. of Health and Human Services, has authorized the irradiation process on produce. This new regulation also

simple flower enclosed in a broken circle, without realizing its' importance. Although labeling is regulated, the word irradiated is not required. The statements to be used are "Picowaved to control spoilage," "Picowaved to extend shelf life," or just the word, "Picowaved."

As a consumer, I resent the "sneak" approach to food labeling. We have lived with

This process can now be used on fresh products such as, vegetables, fruit, wheat, herbs, spices and pork. It is quite reasonable to think that the list of approved foods for this process will increase steadily. To stay informed on this issue, read your newspapers carefully, especially small articles tucked away.

the deceptive approach for total sugar content, salt and preservative additives on labels for many years. The public, thru improved awareness, has become more demanding and is beginning to critically read labels. However, this latest regulatory action indicates changes in our food supply do occur without general public knowledge.

Critics of irradiation say there is some possibility that consumption of irradiated food might increase an individual's long term exposure to low level radiation.

## Pat D's Nutrition Today

Pat DeAngelis is a nutrition consultant to American International Hospital, Zion. Readers with questions about the food and liquid they consume are invited to address questions to Pat D's Nutrition Today, Lakeland Newspapers, P.O. Box 268, Grayslake, Ill. 60030.

requires that all items exposed to gamma rays be labeled and carry a symbol identifying this process.

You may have already seen the symbol, a

## Free Screenings

On Monday, May 5, from 1 to 3 p.m., Victory Hospital volunteers will give free blood pressure screening in the lobby of the hospital, 1324 N. Sheridan Rd. in Waukegan. On the same day Victory Outreach Center in Lake Villa will also provide screenings. No appointment is necessary.

## Audubon Society To Meet

A general meeting of the Lake County Audubon Society will be held at 8 p.m. Tuesday, May 6, at the Cook Memorial Library in Libertyville. Frank Underbrink, teacher, world traveler and president of the State Archaeological Society, will speak on Costa Rica. The public is invited to attend.

## Engagements

**Kathy Elfering and Mark Baur**  
**Elfering-Baur**

Mr. and Mrs. Al Elfering, Antioch, announce the engagement of their daughter, Kathy, of Mosinee, Wis., to Mark Baur, son of Mr. and Mrs. Charles Baur, also of Mosinee.

The ceremony will be performed Sept. 20 by Father Lawrence Hanley of St. Peters Church in Antioch.

The bride-to-be is a 1981 graduate of Antioch Community High School and a 1984 graduate of Southeastern Academy, in Florida. She is employed as a station agent for Midstate Airlines, in Mosinee, Wis.

The groom-to-be is a 1982 graduate of Mosinee Senior High School. He is employed as a ramp agent for Midstate Airlines, and as a lineman at Central Wisconsin Aviation, in Mosinee.

The couple plans to settle in Mosinee.

### Carter-Futterer

Mr. and Mrs. Robert E. Carter, Antioch, announce the engagement of their daughter, Laura, to John Futterer, son of Mr. and Mrs. Konrad Futterer, Chicago.

The couple were engaged on the birthday of the bride-to-be. She found the ring wrapped inside a box of candy.

The ceremony will be performed by Father O'Shea of St. Margaret Mary Church in Chicago on June 14.

The bride-to-be is a 1983 graduate of Antioch Community High School. She is employed as a machine operator for Vonco Products, Inc. in Lake Villa.

The groom-to-be is a 1979 graduate of Gordon Technical High School. He is employed as a parts assembler for S and C Electric, in Chicago.

The couple plans to settle in Chicago.

**Annette Ward and Stuart Swank**  
**Ward-Swank**

Mr. and Mrs. Lee B. Ward, Gurnee, announce the engagement of their daughter, Annette, to Stuart Swank, son of Mr. and Mrs. Ralph Swank, Waukegan.

The ceremony will be performed by the Rev. Fredric Lippert of the First United Methodist Church in Waukegan, in June.

The bride-to-be is a 1982 graduate of Warren High School and will graduate from MacMurray College in May, with a bachelor of science in education of the hearing impaired. She is currently a student teacher for John Powers Center for Hearing Impaired in Vernon Hills.

The groom-to-be is a 1979 graduate of Waukegan East High School and a 1985 graduate of Northern Illinois University with a bachelor of science in history. He is employed as a substitute teacher for Waukegan Public Schools.

The couple plans to settle in Waukegan.

## Monotremes: The Only Mammals To Lay Eggs

by CHARLENE WHITNEY

There are two very strange mammals that few people see. You might see them in a zoo. They are classed as monotremes. This is because they are the only mammals that lay eggs.

The platypus, whose name means "animal with flat feet," is a funny animal. He has webbed feet and a bill that looks like a duck. His flat tail looks like a beaver's. He has thick fur like many mammals.

The platypus is only about 20 inches long. He lives in ponds and streams in eastern Australia. With his sharp claws, he digs a burrow under ground. A pregnant female will build an extra-long tunnel. There she makes a nesting area.

When the time is right, she will block the tunnel with dirt. Then she will go to the nesting area. She usually lays two eggs that are stuck together. They look like small crocodile eggs, and they have a rubbery shell. She will wrap her body around her eggs for about eight days, until they hatch.

When the platypus swims, only the front feet are used for paddling. The platypus is a big eater, consuming half again his weight each day. That is a lot of worms. He must dive down and use his sensitive bill to feel around in the mud for his food. He closes his eyes and ears when he dives. It's not unusual for him to stay under water for 10 minutes without breathing.

A platypus may live to be 10 years old. An adult weighs

about four pounds.

The spiny anteater, also known as the echidna, looks very different from the platypus. They are curious animals about two feet long and covered with sharp spines.

These little guys can live 50 years and more. To protect himself, he rolls into a ball with spines outward. He can also bury himself in the ground in a few minutes.

His foods are ants, termites and other insects. He has a long, sticky tongue to catch them.

These two, the spiny anteater and the platypus, are in the same

classification. As you can see, they look very different, act very different, and their food is different. Even their life span is extremely different. However, they are both egg laying mammals.

## Pet-Wise

All mammals are descended from ancient egg laying reptiles called therapsids. Of all the living mammals, the platypus and the spiny anteater are the most like these reptiles.

## Colorful Tators Can Be Fun

For more colorful potatoes, try carrots with America's favorite vegetable.

While dining at a friend's, I questioned the orange-flecked mashed potatoes. I learned that a few carrots were boiled and mashed right along with the potatoes.

The combination is not only colorful, but tastes good.

★★★★★

"Can home-grown grape leaves be used in recipes such as stuffed grape leaves?" asks Marie-Madeleine Kaplan of Nashua, N.H. "How can I preserve them?"

I went straight to one of my cooking consultants who lived in Greece several years. Diane said she enjoyed grape leaves picked right off the vine.

She suggests blanching the leaves, thoroughly drying them, stacking them flat on foil, sealing the package and stashing the leaves in the freezer until ready for use.

I'm afraid I'm a jar man myself. Diane also says the kind that comes in the jar is much better from California than the imported leaves from Greece.

★★★★★

I have a gripe about name brand frozen vegetables. What happened to plain? I've encountered difficulty finding green beans or broccoli or whatever without some kind of butter sauce or alone in small packages.

I also have a gripe about all brands of yogurt. What happened to plain?

I received a request, unsigned, for a simple dressing for avocado. At the supermarket, I found plenty of small containers with every type of fruit, even coffee flavored, but no plain.

I snapped up the last largest container of plain yogurt, which will last me several months.

Come on, manufacturers, don't forget us plain folks.

## Pilot Light

GREG MELIKOV

### CELERY SEED DRESSING

3/4 cup olive oil  
1/4 cup vinegar  
2 tablespoons plain yogurt  
1 tablespoon celery seed  
1 teaspoon Dijon mustard  
salt and black pepper to taste

Combine all ingredients in jar with lid, shake well and chill at least two hours. Arrange sliced avocado on bed of romaine lettuce or watercress, shake dressing and lightly coat them. Refrigerate remaining dressing for use on other salads.

## Farm To Offer Day Camp

Sunny Day Farm, located in Wauconda, will again be offering a horse-related day camp. The camp, which is scheduled for June 9 through 13, and Aug. 11 through 15,

starts at 9 a.m. until noon.

All riding will be supervised and within the safety confinement of a riding arena with provided head gears.

Sunny Day Farm prides itself for its excellent school horses and safety record. Space is limited, so reserve a place by calling (312) 526-8555.

## What's Happening...

### Church Holds Dinner

A roast beef cafeteria dinner will be served by Millburn Ladies Aid of the Millburn Congregational Church, Thursday, May 1, at noon. The church is located at Rte. 45 and Grass Lake Rd., in Millburn. The public is invited.

### Women Attorneys Meet

Atty. Kathleen C. Swett will speak on what the lay person needs to draft a will, from noon to 1 p.m., on Thursday, May 1, at the Waukegan Public Library. The meeting is sponsored by the Assn. of Women Attorneys of Lake County. The public is invited. This will be the last seminar of the season. There will be a new series in the fall.

### Graduation Square Dance

Bouys and Belles Square Dance Club will hold a Graduation Square Dance, featuring caller Bob Wilson and round dancing with Al Hallgren. The event was changed from April 18 to Friday, May 2, and will take place at Great Lakes Community Center, Greenbay Rd. and Hwy. 137 (Buckley Rd.) in Great Lakes. Round workshop will begin at 8 p.m., with dancing from 8:30 to 11. Area modern western square dancers are invited to attend.

### Adelines Sing

Riverport Chorus, Sweet Adelines, meet Mondays at 7 p.m. at Salem School. All area ladies interested in singing four-part harmony, barbershop style, are invited. Call (312) 862-6020 for more information.

### Down's Counsel To Meet

The Down's (Syndrome) Development Counsel meets monthly at 7:30 p.m. on the second Monday of the month at Ivanhoe Church, just west (on Hwy. 176) of the intersection of 83/60 and 176. On May 12 guest speaker will be Lorraine Maida, a SEDOL Speech Pathologist, who is currently seeing children at the Early Childhood Program at Diamond Lake School. She will speak on developmental guidelines, articulation helps, use of sign language and, perhaps, conduct a mini class in basic signing. For more information, call Nicki Neal at (312) 367-5267.

### Singles Hold Dance

Singles are invited to a Combined Club Singles Dance with live music, at 8:30 p.m., Saturday, May 3, at the Oakbrook Terrace Holiday Inn, 17 W. 350 22nd St. (22nd St. and Rte. 83), Oakbrook Terrace. The dance is co-sponsored by the Northwest Singles Association, Singles & Company and Young Suburban Singles. Admission is \$6 for non-members and \$5 for members. For more information, call (312) 769-2800.

### Singles Dance

Midwest Singles Assn. invites all singles to an open dance party at 7 p.m. on Sunday, May 4, at the Holiday Inn O'Hare Kennedy, 5440 N. River Rd., in Rosemont. Admission is \$3. For more info, call (312) 784-8200.

### Hold Volunteer Forum

With the coordinated efforts of Catholic Charities, the Retired Senior Volunteer Program of Lake County and Region Two Area Agency on Aging, the public is invited to attend a forum to learn more about volunteer Friendly Visitors and Nursing Home Resident Advocates. The forum, which will address the continuing need to recruit volunteers and develop programs to meet these needs in Lake County, will be held on Thursday, May 8, from 10 to 11:30 a.m. at the Libertyville Twp. Office Building located at 359 Merrill Ct. in Libertyville. For more information, call Catholic Charities at (312) 249-3500 by May 5.

### Hold Box Brunch

The Waukegan Federation of Jewish Women is holding its 20th annual Lox Box Brunch on Sunday, May 4. A box consists of 1/2 pound of lox (smoked salmon), six bagels, eight ounces cream cheese, onion, tomato and some surprises. The cost is \$8.50. The boxes will be delivered to your homes in Waukegan and surrounding areas as far as Lake Forest, Libertyville, Lake Villa and Winthrop Harbor. They can also be picked up at Temple Am Echod in Waukegan. Orders must be paid for in advance by Sunday, April 20. For further information, call Korky Shklair at (312) 662-2286.

### Boaters' Flea Market

The second biannual Boaters' Flea Market will be held from 7:30 a.m. to 3 p.m., on Sunday, May 4, at 1300 Town Line Rd., in Mundelein. Fishermen and boaters can buy, sell and trade items relating to boating and fishing at this event. Buyers are admitted free; sellers space is \$5 and will be collected and used by Boy Scouts of Northeast Illinois Council to purchase equipment for Camp Makajawan. For more information, contact Vern Ahlstrand, Ahlstrand Marine, 1300 Town Line Rd., in Mundelein 60060.

### Hold Square Dance

The Lake Promenaders will hold a square dance from 8 to 11 p.m., Saturday, May 3, at Woodland Intermediate School on Gages Lake Rd., between Rte. 45 and Hunt Club Rd. Doris and Ted Palmen with rounds. For information, call Pat and Steve Billmyer at (312) 356-7887.

### Hold Spring Fling

Lakeland Tennis Club, located in Holiday Park, Ingleside, is having its Second Annual Spring Fling, Saturday, May 3 at 5 p.m. Tennis, volleyball, ping pong and badminton games will be held in the Bubble. Please bring a dish for the pot luck dinner. Newcomers are welcome. Call (312) 546-8224 for information.

### LaLeche League Meets

The LaLeche League of Grayslake-Lindenhurst will hold the first in a series of four monthly meetings at a member's home on Thursday, May 8, at 7:30 p.m. This month's topic of discussion will be "The Advantages of Breastfeeding to Mother and Baby." For information call (312) 356-5451 or (312) 223-8370.

### Singles Dance

Midwest Singles Assn. invites all singles to an open dance party at 7 p.m. Sunday, May 11 at the Holiday Inn O'Hare Kennedy, 5440 N. River Rd., in Rosemont. Admission is \$3. For information, call (312) 784-8200.

### Honor Student

Wauconda resident Scott Rudkin was among 25 Western Illinois University students recognized for their achievements in art projects in Studio classes at Western. More than 200 examples of student art work are on display in the WIU Art Gallery through May 9.

## Hospital Plans Smoking Clinic

The spring session of the free "I Quit Smoking" Clinic offered by Condell Memorial Hospital will be held Monday, May 19, through Friday, May 23, at The Family Health Center-Round Lake Area, 2 E. Rollins Rd., Round Lake Beach. The five daily programs will be held from 7:30 to 9 p.m.

Using a combination of lectures, slide presentations, and a test which shows the dramatic effect smoking has

on the human body, the clinic features the group approach to breaking the habit.

Members of the hospital's medical and professional staff who will be speaking are Archie Estey, DDS; Dennis Grollo, MD; Wallace Salzman, MD; Ira Fenton, MD; and Patricia Tydell, RN.

Registration is currently being accepted for this free clinic. Call Nursing Services at (312) 362-2900, ext. 5122.

## Sequoits Win 4 of 5, Whip Libertyville's Wildcats

The Sequoits are on a roll after playing five games and winning four of them, losing only one to top of the North Suburban Conference, unbeaten Libertyville, and then bouncing back to take the leaders.

Antioch was 5-9 overall and 3-4 in the North Suburban Conference as they prepared to host Lake Forest on Tuesday, April 29, travel to the Scout's home on May 1, and plan to host a double header against Stevenson on Saturday, May 3.

The Sequoits demolished the Zion ZeeBees on April 22, 15-2, with Shawn Wiltse getting two runs and one hit; Jerry Kurzewski, two runs and one hit; Mike Galdine two hits, one a triple that

started a rally for Antioch; Joe Lehner, three hits, one was a triple; Matt Humphreys, two RBIs (a two-run homer).

The winning pitcher in this one was Rich Risch.

Then on April 24, the Sequoits welcomed the North Chicago Warhawks with a 16-6 beating. Galdine was three for five with two hits, one a homer that brought in four.

Humphreys was two for three, driving in three. Eric Riedi smashed a three-run homer to get the Sequoits off to a good start in the first.

Risch also hit a homer and the winning pitcher was Humphreys.

On April 25 Antioch won another one in a non-conference game against

Grant, beating the Bulldogs, 18-8. Bob Cord went two for three, with two RBIs in this one, and Brian Pankauskus was two for three, with a homer that drove in four runs.

The winning pitcher was Tom Wells. Shortstop Jared Ford took the honors for the Sequoits here, hitting a grand slam homer in the fifth and driving in two more in the same inning.

Antioch went wild, scoring 13 runs in that inning.

The Sequoits lost their only game of the week when the picked up on a suspended game against Libertyville, with Libertyville already ahead by 8-1 before the continuance began. That final score was Libertyville all the way, 19-7.

But the Sequoits bounced back in the second half of that double header, playing the best game of the week, beating the Wildcats, 4-2, in a close one.

Risch was the winning

pitcher, giving up only two runs (one a homer).

Galdine had the heavy bat in this one, going three for three, hitting one run in, two doubles and making two

outstanding center field catches that saved the game for Antioch.

Wiltse had two runs, one a key run that broke a 2-2 tie and put Antioch on top.

## It's Showdown Time For Grant, Round Lake

The league-leading Grant Bulldogs will face the biggest test of the season this week. The Bulldogs, at press time, were tied for the lead of the Northwest Suburban Conference with the Round Lake Panthers.

The Bulldogs bats were awesomely potent last week as they easily defeated Wauconda 10-2 and smashed Johnsbury 12-3. Joe Vocke belted two home runs and a single in Grant's win over Wauconda April 23. Joining

the hit parade were Mike Kazlauskis with three singles and Kerry Bennett with a pair of doubles.

In the game against Johnsbury on April 24, Mike Kazlauskis and Jim Theobald led the attack with three hits and three RBI each. Marc Borton contributed two hits.

Mike McDonald was the winning pitcher in both games, going the distance for the victory against Wauconda and pitching the

first three innings against Johnsbury.

This may be the week that separates the contenders from the pretenders in the NWSC, though. On Wednesday, April 30, Grant will face conference co-leader, Round Lake. The two teams' regular game will be preceded by the completion of a suspended game.

Unless the teams split the twin bill, next week will bring a solo leader to the top of the NWSC.

## Skyhawks Have Full Week Of Play Ahead Of Them

The Johnsbury Skyhawks improved their overall varsity baseball record to 3-6 by defeating the Richmond Rockets on April 25.

The Skyhawks' junior pitcher, Frank Husak, held Richmond to three runs on four hits and went the distance for the victory. The final score was 10-3.

Dan Steska, senior catcher, led the Skyhawks' of-

fense with three hits in three at-bats. Senior first baseman John Kegel capped the Johnsbury attack with a sixth-inning triple that drove in two runs.

Going into Monday's action, the Skyhawks held a 1-4 conference record. The team will have a chance to go over 500 this week as they play four conference games.

They play Grayslake away on Monday, Marengo at home on Tuesday, Marian at home on Wednesday, and are away at Lake Zurich on Friday.

Varsity coach Wayne Hiller thinks that the away games are going to be tough but believes that the team can be competitive with Marian and Marengo.

## Warren To Host Foes

Warren Twp. High School's baseball team will be hoping for some late-season momentum when the Blue Devils near the end of regular season play this week.

The Blue Devils will be playing four straight games at home at the American Legion Fields in Gurnee. Warren hosts Zion-Benton May 1, Fenton May 3, North Chicago May 6 and Antioch May 8.

The Blue Devils in mid-season won three of four NSC games, upping their record to 4-2 in the league, 4-6 overall.

"We played a lot better. We got some decent pitching performances," coach Ron Shelton said.

The week began with Warren crushing Antioch 8-2 April 15. The Devils then edged Niles North 8-6 April 17. WTHS split a doubleheader against Mundelein, losing the first game

10-0 but winning the second 12-6.

Russ Nolan was the winning pitcher against Antioch, holding the Sequoits in check throughout.

Warren led 8-3 in the contest against Niles North

before the Vikings rallied for three runs in the sixth inning as Tom Thompson picked up the win.

Shelton said his forces will have to improve defensively if they are to be a force in the tough NSC.

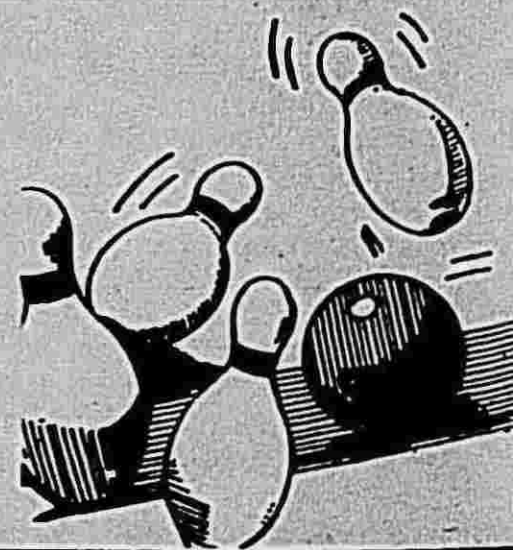

### What A Hand-Off

Antioch's Jenny Ptasek hands the baton off to teammate Michelle Arger during 800 meter relay action against Warren and Niles North. Antioch won the meet with 77 points. Warren and Niles had 66 and 28 points respectively.—Photo by Steve Young.

## The Lesson Tee

By Gary Flowers  
Old Oakland Golf Club  
11611 E. 75th St.  
Indpls., IN 46236

Q: I am never certain that my feet are correctly positioned at address. Is it just a feeling of being comfortable over the ball, or do I need to know more exactly how to place my feet?

A: A comfortable feeling over the ball is important but you certainly do need to know exactly how to place your feet at address. Although the steps listed below may seem slightly uncomfortable or too technical they must become a habit. When they are an automatic part of your game you will see a true improvement in the accuracy and consistency of each shot. 1) Establish a target line by standing at least 10' behind the ball and picking a spot about 10'-15' either in front of or behind the ball. This spot must lie on the line made by the ball and the target. 2) Walk slowly to the ball keeping your eyes on the spot. 3) Sole the club head behind the ball with the club face square to the line made by the ball and the chosen spot. 4) Place both feet at right angles to this line as in Figure A, and from this point you want to look only at the target, not at the spot or at the ball. 5) Position left foot - Driver - Move left foot forward approximately 3 1/2" and turn toe out slightly. The ball should now be inside your left heel. Irons - Play the ball back in your stance depending on the length of the iron. 6) Position right foot being certain that the instep to instep measurement is not greater than the width of your shoulders. Narrow your stance for your irons.

## Panthers Sitting Atop Northwest

Round Lake Senior High School's athletic program has had a tremendous year with its Northwest Suburban Conference (NWSC) football championship, with its 20-plus wins on the basketball court and now with its conference-leading baseball team.

The Panthers are currently undefeated in the NWSC at 4-0 and are 8-4 overall. Grant is the only other undefeated team in the conference.

In last week's action, Round Lake defeated conference-foe Johnsburg by a

score of 14-2 April 23, lost to Zion-Benton 8-7 April 25 and split a double-header with Lake Forest, losing the first 7-4 and winning the second 11-4.

Senior Doug Sparks gave up only four hits and struck out 10 in the winning effort against Johnsburg, while Joe Lobinger was the winning pitcher against Lake Forest.

Kurt Schmidt and Brett Ligenza each smashed home runs in the Johnsburg contest.

The Panthers also had a game against Lake Zurich

last week, but it was suspended with the score 4-4 due to darkness. This game will finished May 9.

Round Lake was scheduled to play the Wauconda Bulldogs at home April 28 and Grant away on April 30. They will finish out the week with Grayslake at home.

"We're hitting the ball well now and we're also getting some good performances on the mound. Everybody's contributing and if they can continue to

contribute, I think we'll do alright, said assistant coach Jim Prorok.

## Get Special Rate

Senior golfers 65 years and over can play golf at Renwood Country Club on Monday mornings for the low price of \$5.50.

This price is good until noon on Mondays and is not good on holidays or with any other discounts.

Renwood, a facility of the Round Lake Area Park Dist., is located on Hainesville Rd., between Washington St. and Rollins Rd., west of Rte. 83.

For more information, phone the Renwood Golf Shop at (312) 546-8242.

## Rams Improving With Time

by DANO'SHEA

The Grayslake Rams improved their Northwest Suburban Conference baseball record to 2-3 with wins over Marian Central and Wauconda in the last week.

In another conference game, the Rams played Marengo on April 24, but the game, tied 1-1 in the ninth inning, was suspended and will be continued May 12 when the Rams go to Marengo to play a scheduled game.

On April 22, senior left-hander Bill Sangbusch went the distance on the mound for Grayslake in a 5-2 victory over Marian Central. Shortstop Tom Castino had

three hits and three stolen bases, Kelly Bye had three hits and junior outfielder Greg Dunski drove in three runs.

In a game postponed earlier, Grayslake beat Wauconda, last year's conference champs, in an 8-7 thriller on April 24. The Rams exploded for a six-run sixth inning after they had fallen behind 7-2. Sangbusch and junior Tony Bussone both had two hits and Sangbusch had two RBI's on a third-inning triple.

Sophomore Shawn Mauritz and senior Jeff West both had two hits and an RBI. Castino tripled in two runs in the sixth inning, and Bussone and junior Mike Langer each had an RBI. Bye, a senior righthander, had a complete game on the mound.

After the two victories, Grayslake Head Coach Jim Haas commented that the Rams' pitching has begun to come on strong in the last

few games after starting slow.

Bye leads Grayslake in hitting with a .465 average on 20 hits in 43 times at bat. Castino is next with 20-46 for a .435 average.

## Taking Tax Deduction On Business/Pleasure

by GARY S. MEYERS

When is business a pleasure? When you can deduct it on your federal income taxes.

Business and pleasure often go together, but the Internal Revenue Service has strict rules concerning the kinds of pleasure that qualify for an entertainment tax deduction.

To take this deduction, you must be involved in a trade or business. This simply means that in conducting your pleasure, you must have legitimate business contact with other businesses, such as suppliers, retailers and clients, tax experts told the Meyers Report.

If you do not currently have a business and are exploring the possibilities, you cannot deduct entertainment expenses. The entertainment has to be part of your "ordinary and necessary" course of business. However, once you actually start the business, the preparatory expenses then qualify for immediate or deferred deduction (over a period of years).

The most important qualification defining the types of deductions is that the entertainment expense must be incurred for some business purpose.

"There are two categories

of deductions incurred for a business purpose—entertainment directly related to business and entertainment associated with business," said Gary Soffer, tax expert with Arthur Young & Co., a national certified public accounting firm.

**-DIRECTLY RELATED EXPENSES.** To qualify as directly related to business, the main purpose of the entertainment activity must be to produce business revenue. This deduction is limited to activities which provide "a reasonable opportunity to discuss business," such as taking a client to lunch.

**-BUSINESS ASSOCIATED EXPENSES.** Entertainment "associated with" business is entertainment that precedes or follows a bona fide business discussion.

For example, "you cannot deduct the cost of tickets to a Chicago Bears game and claim that you conducted business during halftime,"

said Jay Branzel, tax partner with Lavenhol & Horwath, a national CPA firm. "But if you spent all morning in a business discussion with the client and then went to the game, you can deduct it."

Soffer said there are also strict rules concerning entertainment facilities and trips. For instance, if you deduct the cost of hunting trips, fishing trips or the use of ski lodges, you must clearly demonstrate that the main purpose was to conduct business.

In the case of club dues, they are only deductible if the club is used primarily for business. If 60 percent of the time you spend in the club is for pleasure and 40 percent for business, no percentage of the dues is deductible.

However, expenses from individual meals with clients would still qualify.

**--BUSINESS MEALS.** Rules concerning business meals are much less precise. In most cases, if the main purpose of the meal is to

discuss business, it is deductible. Meals are different from other types of entertainment because they can be deducted even if the participants all belong to the same company.

However, daily meals with the same people would not qualify.

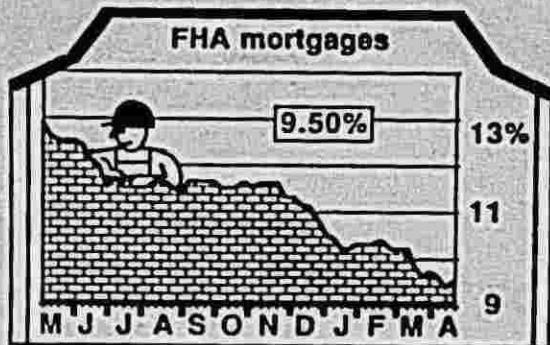

Documentation is very important for a deduction to qualify. You do not need to send in receipts with your tax return. But if you get audited, every receipt, credit card record and your

business calendar become crucially important.

For an audit, your records must show names of the client or business associates, the date and the nature of the business conducted in relation to the entertainment.

"Be overly cautious about documentation. Some revenue agents will play it exactly by the book. If you don't have all the documentation they require, they will disallow the deduction," Soffer warned.

### The Mortgage Report

April 23, 1986

Nationwide, the average interest rate on 30-year fixed-rate mortgages rose to 10.13 percent from 10.05 percent. Adjustable mortgages fell to 8.84 from 8.89 percent.

In Chicago, 30-year fixed-rate mortgages fell to 10.00 percent from 10.12 percent last week. Adjustable mortgages also fell, now at 8.57 percent down from 8.62 percent.

### POLLUTION VARIANCE

The Village of Round Lake Beach, on behalf of its public water supply, located in the Village of Round Lake Beach, in Lake County, has filed with the Pollution Control Board a petition for variance under Title IX of the Environmental Protection Act. The Petitioner requests a variance from 35 Ill. Adm. Code 602.105(a) and 602.106(b) so that Restricted Status will be lifted despite having violations concerning combined radium 226 and 228. The purpose of the petition is to be able to obtain construction and operating permits for new water main extensions.

The Environmental Protection Agency solicits the views of persons who may be adversely affected by the variance. Address any comments or inquiries to: Wayne Wiemerslage Staff Attorney, IEPA, 2200 Churchill Road, Springfield, Illinois 62706; phone 217-782-5544.

If a written objection to the variance is received by the Pollution Control Board, State of Illinois Center, 100 West Randolph, Suite 11-500, Chicago, Illinois, 60601, by May 13, 1986, the board must conduct a hearing on the petition.

## Business Briefs

### Joins Antioch Firm

Sharon Young has joined RE/MAX Advantage Realty, 480 Orchard St., Antioch, as a sales associate.

Young is a seven-year veteran in real estate. Before joining RE/MAX, Young was affiliated with Century 21 Tom Ward, Lake Villa, and Century 21 Michael Warren, Antioch. While with those organizations she generated sales in excess of \$2.5 million annually. Young possesses a Master Residential Appraiser certificate.

### Baxter Reports Results

Baxter Travenol Laboratories, Inc., has reported first-quarter sales of \$1.4 billion and net income of \$49 million. Earnings per common share were 15 cents. Results for the quarter include American Hospital Supply Corp., acquired in late 1985.

Sales, net income and earnings per common share for the first quarter of 1986 were \$510 million, \$39 million and 26 cents. Results for the first quarter of 1985 were not restated to reflect the acquisition of American.

Vernon R. Loucks, Jr., president and chief executive officer, reported that Baxter is pleased with the first-quarter results, which were in line with expectations.

### Bank Company Reports Gain

First Midwest Bancorp, Inc., has reported first quarter net income of \$2,281,000 or 60 cents per share as compared to \$2,150,000 or 57 cents per share for the like period in 1985.

Factors contributing to the positive quarter to quarter performance included increases in both net interest income and noninterest income. First quarter 1986 net interest income on a fully taxable equivalent basis increased four percent to \$14,115,000 up from \$13,572,000 in the same quarter in 1985. Noninterest income increased at 11 percent over the same quarter last year, from \$2,051,000 to \$2,274,000. The increase can be attributed to increased trust income and other income.

### Realtors Honored

Poe & Poe, Inc., Realtors, has achieved national recognition for placing in the top 10 percentile of more than 8,500 real estate firms across the country.

The honor, awarded by National Statistical Research Company of Chicago, is based on a computer analysis of hundreds of thousands of questionnaires sent to home buyers asking for an evaluation of the service they received from the real estate firm who handled their transaction. Poe & Poe scored well above the national average when more than 8,500 real estate companies across the country were surveyed. The customers were asked to evaluate the service provided and the overwhelming majority of Poe & Poe customers responded that the service was good or excellent. This is the third year in a row Poe & Poe, Inc., Realtors has received this industry honor.

### Supports Beautification Week

HOD Disposal Service of Antioch joined other operating units of Waste Management of North America, Inc., across the nation in supporting "Keep America Beautiful Week," April 20 through 26.

## First Midwest Announces Merger

Officials of First Midwest Bancorp, Inc. and Bancorp of Mundein, Inc. have jointly announced a merger agreement which will result in the affiliation of the Mundein company and its principal subsidiary, Bank of Mundein, with First Midwest. The transaction will be structured as an exchange of stock having an approximate value of \$3,600,000.

With approximately \$1.5 billion in assets, First Midwest Bancorp is one of Illinois' largest multi-bank holding companies, owning 18 member banks located in 17 communities throughout northern and central Illinois. Bancorp of Mundein is the holding company of the Bank of Mundein which has total assets of approximately \$37 million.

Leslie E. Hinderyckx, Bancorp of Mundein chairman, stated that "affiliation with First Midwest is the best way for the Bank of Mundein to

continue to serve the needs of our community, deliver quality financial services to our valued customers and ensure the continuity of local people in the management and direction of the bank."

Robert P. O'Meara, First

Midwest Bancorp president, remarked, "Merger with Bancorp of Mundein enhances our presence in the fast growing Lake County market and will allow us to better serve our expanding

customer base in the Mundein, Libertyville and Vernon Hills area."

First Midwest owns five other Lake County-based banks, with total assets exceeding \$350 million.

## First National Bank To Open New Office

The First National Bank of Waukegan will open a full service office in Libertyville at 251 Peterson Rd. in late May/early June, the bank has announced.

The Libertyville Office will specialize in home mortgages, but will also provide a link to the bank's full array of personal and business banking services.

The expansion to Libertyville is the bank's second within a year. Currently under construction at Rte. 41 and Delany Rd. in Gurnee is The First National Bank's

first office outside of Down town Waukegan.

With offices in downtown Waukegan, Gurnee and now

Libertyville, The First National Bank of Waukegan, founded in 1852, is Lake County's oldest financial institution.

### Skokie Federal Earnings Up

Skokie Federal Savings has reported third quarter consolidated earnings for the period ending March 31 of \$934,472 or 68 cents per share, more than double the same quarter last year. Year-to-date earnings total \$2,335,836 or \$1.70 per share. Skokie Federal declared a 3-for-1 split of its common stock which is reflected in the earnings per share figures.

Association assets increased to \$908,702,461 up 13 percent from \$805,199,113 at the same time last year. Deposits rose to \$812,453,301 — reflecting a yearly deposit growth of 15 percent.

## GET FAST, IMMEDIATE DELIVERY OF YOUR 1986 LICENSE PLATE OR STICKER AT THE FIRST!

During the next two years, all Illinois automobiles will be issued new license plates. The first character of your current plate and the month your registration sticker expires determine the year and month you will receive the new plates.

Owners of non-standard plates (Handicapped, Motorcycle, etc.) will be issued new plates beginning in 1987.

- Check your Current Sticker for Expiration Date.
- Bring your Pre-Printed License Renewal Form to the Bank. We are able to process the following applications:

1) If your application is marked "NEW PLATE", new plates will be issued. If you wish to keep the same number or purchase a randomly selected number, your application can be processed at the First.

2) If your application is marked "STICKER ONLY", you will NOT be issued new plates this year. As usual your renewal sticker can be processed at the First.

- A Service Charge of \$2.50 will be charged in addition to the plate/sticker fee.

### Bank Promotes Johnson

Ted C. Axton, president of the First National Bank of Antioch, announced the promotion of Joel R.

Johnson. Johnson, who joined the bank in January of 1985 as acting auditor, has been promoted to auditor, a bank officer.

Johnson is a graduate of the University of Wisconsin Parkside-Kenosha, Wis., with a bachelor of science degree in business management. He placed special emphasis on finance and accounting. He is also a graduate of the School of Internal Bank Auditors, which was held at DePaul

University through the Illinois Bankers Assn. in August of 1985.

He also attended a special seminar on bank internal auditing which was sponsored by Ernst & Whinney and held in Cleveland, Ohio. Johnson is currently studying at UW Parkside-Kenosha in the areas of auditing and intermediate accounting, and is working toward his CPA certification.

Joel Johnson

## Plan Local Teenage Contest

Applications are now being accepted from all over the Inland Empire for the annual Miss Illinois Teen Pageant to be staged in Mundelein. The Big Pageant Weekend will be presented in the Great Hall of the Holiday Inn, Mundelein, July 19-20. The Miss Illinois Teen Pageant is an official preliminary to Miss Teen All American.

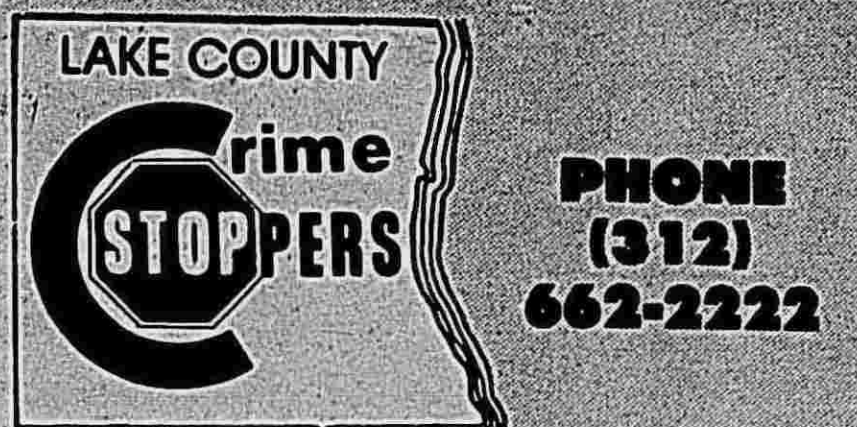

No performing talent is required. All judging is on the basis of poise, personality and beauty of face and figure. Applicants who qualify must be at least 14 years of age and under 19 years of age as of Dec. 31, 1986.

All young women interested in competing for the title must send their name, address and telephone number to: Midwest Pageant Office-Illinois, 4519 Shady Ln., Indianapolis, Ind., 46226, or call (304)242-4900.

Among her many prizes, the new Miss Illinois Teen will receive an all-expense paid trip to Bal Harbour, Fla. where she will compete in the Ninth Annual Miss Teen All American Pageant in early November.

The new winner will be the recipient of her own Fisher video cassette recorder, a \$500 cash travel award, a five-piece set of Amelia Earhart luggage, a Cobra cordless electronic telephone plus many other prizes!

The Miss Teen All American Pageant will be presented again at the luxurious Sheraton Bal Harbour Hotel on world-famous Miami Beach.

The Barrington Police Dept. and Crime Stoppers are seeking information on a home invasion which occurred at approximately 8:45 on April 21, in the area of Main St., and Rte. 59.

The offender was described as a M/W, 40 to 45 years of age, 6' in height with a heavy build, wearing an orange or red knit cap with a white patch on it. He had very bushy eyebrows (which were graying a little). The offender also had on a dark leather jacket and a bandana over his mouth. The victim was accosted by the offender who fled the scene.

If you have any information about this crime or any other felony crime of felony fugitive, contact Crime Stoppers at (312) 662-2222.

If your information results in an arrest and indictment you will be eligible for a cash reward up to \$1,000.

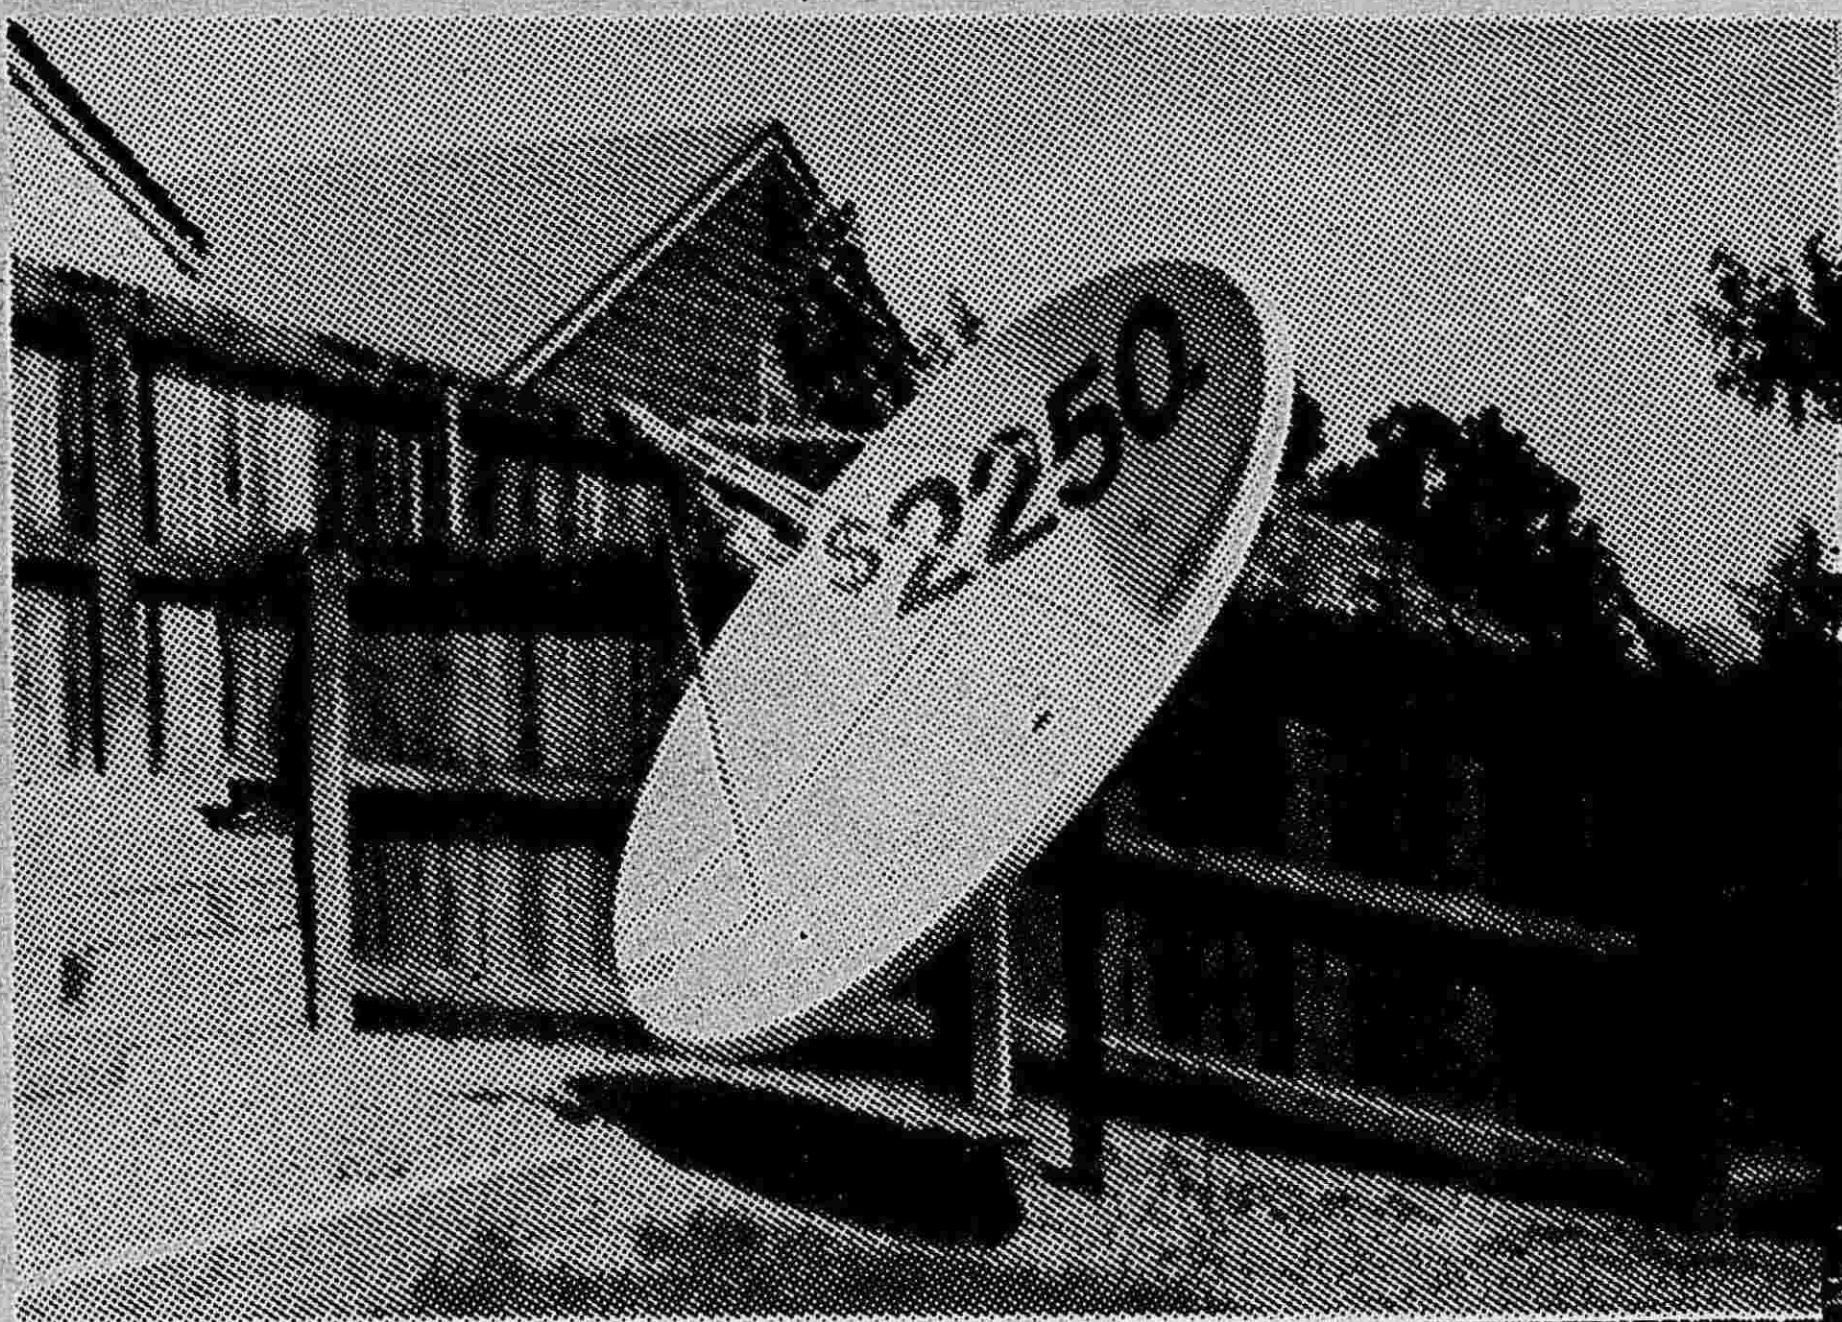

Remember, Crime Stoppers wants your information, not your name.

## Governor Pays A Visit

Illinois Governor James Thompson, third from left, accepts the welcome of officials during his trip through the Lakeland area. One of Thompson's stops included a groundbreaking ceremony for a wetlands site in Wadsworth. With Thompson is: (from left) Bob Neal, Newport Twp. supervisor; Bob Churchill, state representative (R-62); and Wadsworth mayor Ed Tomkowiak. — Photo by Steve Peterson.

# BUYING A HOME SATELLITE DISH IS COSTLIER THAN YOU THINK.

Before you spend your hard earned money on a satellite receive dish you should learn the facts.

This year popular premium services like HBO and Cinemax will begin scrambling their signals with highly sophisticated electronic encryption devices.

And this new technique won't be

limited to just premium services.

Many basic cable channels like ESPN, MTV and CNN have announced their intentions to scramble signals.

**What does this mean for satellite dish owners?**

In addition to paying several thousand dollars for the purchase and installation of a receive dish, it will be necessary

to spend hundreds of dollars on descrambling equipment **plus** pay monthly service fees for each channel received.

**Make your decision based on the facts.**

This message is brought to you as a public service by U.S. Cable.

# Fair Premium Book Available

The 1986 Lake County Fair premium book will be available May 12. The book, which gives detailed information about entry rules, deadlines, categories and cash prizes, will be mailed to persons who entered last year's fair competition and

to those who have asked to receive the 144-page book.

The book includes rules and regulations for entries in the following categories: beef cattle; dairy cattle; sheep; dairy goats; swine; junior livestock demon-

stration; special junior livestock show; rabbits; poultry and waterfowl; quails, pigeons and doves; agricultural products; floriculture; garden club display; domestic arts; paintings; photography;

crafts; ceramics; antiques and hobby collections; culinary arts; tractor and horse pulls; horse shows; and the amateur talent contest.

Persons interested in receiving the premium book should write the Fair Assn., giving their name, address, zip code, phone number and specific areas of interest. The Fair Assn. address is: PO Box 216, Grayslake, Ill. 60030.

Books may be picked up after May 12 at the Lake County Farm Bureau and University of Illinois Extension Offices, both adjacent to the fairgrounds.

After July 1, those requesting the book by mail should send \$1 to help defray the cost of mailing. After July 7, the books may be picked up at the fairgrounds office building (south of the cafeteria building). The fairgrounds are located in Grayslake at the intersections of Rtes. 45 and 120.

# Condell Hospital Honors Volunteers For 1985

Condell Memorial Hospital honored its 225 volunteers at the 21st annual Volunteer Awards Ceremony and Luncheon. Serving in a variety of jobs from patient feeders to Home Hospice workers, the volunteers donated a total of 40,056 hours of service in 1985 to the hospital.

Four outstanding volunteers received special recognition during the ceremony, while volunteers who donated a specific number of hours in 1985 were also honored.

Jeanette Huebner, of Libertyville, was named Volunteer of the Year for 1985.

Having donated 4,902 volunteer hours since she became a volunteer in 1967, Alice Savidis of Libertyville received the Fred McKenzie Award, which is given for five years or more of continuously outstanding volunteer service.

Shirley Shirk of Lindenhurst, recipient of the Fred McKenzie Award in 1984, was honored for 5,000 hours of service, while Millie Busch of Lincolnshire received special tribute for 3,000-hour volunteer hours.

Other recipients of special awards were Mabel Beeler of Wauconda, Amelia "Aly" Reidel of Mundeville, and Elsie Reinking of Libertyville, 4,000-hour volunteers; Sylvia Bousson, Laegeler, Lillian Boyer, and Lorraine Boyson, all of Libertyville, 3,000-hour awards; LaVerne Putman of Libertyville, and Patricia of Prairie View, 2,000-hour awards.

Honored for 1,000 hours of volunteer service were Barbara Boysen, Gages Lake; Barbara Coari and Margaret Johnson, both of Vernon

Hills; Lee Conway, Lake Villa; Annie Crawford, Erika Frelender, Janice Green, Sienna Sowatsky and Irene Trelford, all of Libertyville; Virginia Hoover, Gurnee; and Anna Patterson and Jane Sekulic, both of Round Lake.

Volunteers who received 500-hour awards were, Ethel Brame, Mary "Jo" Bryan, and Geraldine "Dean" Schnepf, all of Mundeville; Helen DeWire of Island Lake; Alice Duba, Vivian Getchell, Corry Grevers, Grace Koffel, Lucille LaRoche, Sr. Ramon Naughton, Joan "Jodie" Saas, Charles Savidis, Cathy Veen and Mary Warwick, all of Libertyville; Mildred Goodnow of Round Lake; and Edward Martinek, Louise Martinek, Sylvia Miller and Margaret Schultz, all of Vernon Hills.

Volunteers receiving 100-hour pins included Robin Barrett, Dorothy Bauer, Dorothy Bradford, Samuel Cobb, Juanita Doan, Marjorie Dolan, Dora Downing, Cindy Friend, Joan Funk, Linda Gray, Shirley Hart, Joseph Kaar, Margaret Lahey, Sharon Maloney, Susan Milligan, Sonia Perez, Elinor Perry, Patricia Reed, Mary Rudershausen, Lorraine Samuel, Kim Schaeffer, Francil Shears, Richard Simonsen and Marilyn Varney, all of Libertyville; Mary Deveau of Fox Lake; Sandra Meyers, Round Lake Heights; and Harold Magnus of Lincolnshire.

Others receiving 100-hour pins were Beeda Druse of Lake Villa; Marie Evert, Helen Field, Dorothy Hayner and Ora "Lee" Heinrichs, all of Round Lake; Dean Franson, John "Chris" Hinrichsen, Linca McNay, Karen Ouimet and

Evelyn Szukala, all of Mundeville; Edith Kramer and Calrita Moe, both of Vernon Hills; Dolly Bye of Grayslake; Loraine Quade and Marcia Starck, both of Gurnee; Eliza Ramsey of Lindenhurst; and Barbara Tollefson of Long Grove.

## Submit News

News from community groups and organizations always is welcome at Lakeland Newspapers.

## To Present Lecture

"The Peacemaker" is the title of a lecture to be given by Juan Carlos Lavigne, CSB of Olivos, Argentina, in First Church of Christ, Scientist, 230 N. West St., Waukegan, on Friday, May 2, at 8 p.m. in the church auditorium.

Since 1898 Christian Science churches have been sponsoring public lectures. This lecture is something of an historic first. According to local church members, all Christian Science lectures throughout the world during the month of May will focus on a simple subject—peace. An estimated 700 May peace lectures will be heard on six continents.

Care for children will be provided during this free lecture, which is open to all.

who are interested in this unique approach to the subject of peace.

Juan Lavigne

## Volunteers Wanted

Big Brothers/Big Sisters of Lake County would like to invite interested men and women to learn more about the program at an orientation meeting at 7 p.m., Monday, May 19. Volunteers agree to share three to five hours a week with a child in need of a friend. For more information, call (312) 360-0770.

## Saving money by using less gas

# THE UNHANDYMAN'S GUIDE TO CAULKING AND WEATHERSTRIPPING.

One of the best ways to save money on energy costs is to make improvements on your home that will help you use less energy.

One of the easiest and most worthwhile things you can do is minimize your heating and cooling loss by caulking and weatherstripping.

If you live in a typical home and install caulking and weatherstripping, you can trim your energy cost for heating by up to \$40 per year. You'll recover your investment in two years or less, and after that it's money in the bank.

Caulking and weatherstripping your house requires a minimum of tools, time and know-how. Even not-so-handy homeowners can easily handle this job. You use caulk to plug air leaks outside and weatherstripping inside to seal the openings around doorways and windows.

## "LET'S TALK CAULKING"

First, survey your house from the outside. Look for gaps in the exterior walls where you need caulk. Note any missing or sun dried caulk especially on the south side of your house.

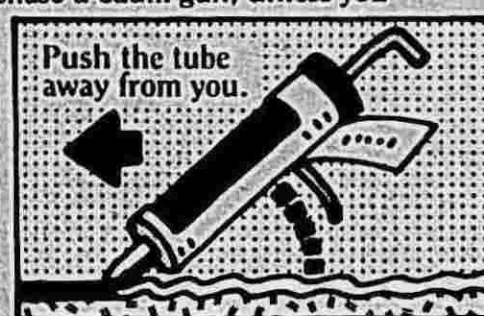

Here's where to look: ■ Around all window and door frames ■ Around exhaust fan

outlets (bath, kitchen or laundry) ■ Around window air conditioners ■ Around holes cut for hose faucet, wires and pipes ■ Around the chimney ■ Around lighting fixtures ■ Where masonry and siding meet.

Caulk is a flexible sealant designed to fill cracks and gaps in fixed joints of a house. One tube will fill about 25 feet of a narrow 1/4" crack or two small windows. In home centers and hardware stores you'll find a variety of caulks to choose from, but don't let that scare you. Ordinary latex caulk is easy to use and cleanup, and a good bet for the first time user. Siliconized caulk is more expensive, but it lasts considerably longer. If you can afford to use a better grade of caulking you won't have to re-do the job every few years.

Check the label to see if the caulk can be painted, how long it takes to dry, the type thinner recommended for cleanup and what the temperature requirements are. Don't forget to purchase a caulk gun, unless you purchase caulk that comes in pressurized cans. Caulk guns usually cost only a few dollars.

■ Clean out the joint thoroughly and let dry. ■ Cut the tube tip off at a 45 degree angle making a 1/4" opening. ■ With the tube in the gun, break the seal with a nail. ■ Place the nozzle in the crack and squeeze the trigger while pushing the tube away from you to fill the gap. ■ Fill deep cracks with several beads of caulk. ■ Clean up immediately and put a nail in the tube nozzle to save for re-use.

## WEATHERSTRIPPING—THE INDOOR SOLUTION

Weatherstripping is the best way to stop air leaks.

To detect hidden drafts inside, make your own distress flag by taping a piece of tissue to a pencil. On a breezy day use this detector to find air leaks by holding it near window sills and doorways. If the tissue moves, you've located a spot that needs weatherstripping. Here's where to look for drafts: ■ Around all windows and door frames ■ Space around pulleys in double-hung windows ■ At electrical wall outlets and switches in exterior walls ■ Around heating registers.

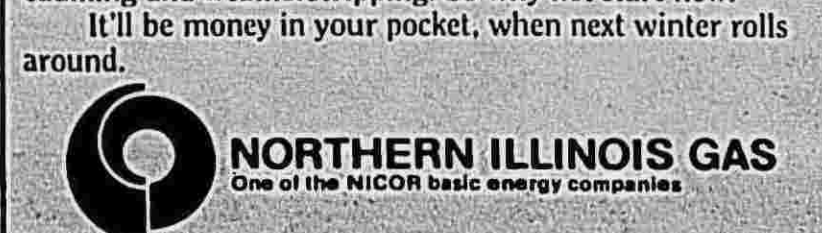

Weatherstripping comes in many forms. For instance there are threshold weatherstripping materials designed to fill the gap between the bottom of a door and floor. For doors and windows, there's spring metal or brass weatherstripping that's inexpensive and effective. Self-adhesive plastic weatherstripping is more expensive but easier to install. As a handy temporary sealer, you can use caulking rope or cord.

For electrical outlets and light switches, low cost foam rubber gaskets can be used to seal gaps. And, in your garage molded stripping is available to seal your garage door.

Installation is easy and you'll find instructions with each of these products. Metal weatherstripping is easily cut with a heavy scissors or tin snips. Plastic is cut with a knife or scissors. Before applying adhesive-backed weatherstripping, clean the surface behind the glue for maximum grip.

## NOW'S THE TIME.

Now's a perfect time to get to work on projects like caulking and weatherstripping. So why not start now? It'll be money in your pocket, when next winter rolls around.

**NORTHERN ILLINOIS GAS**  
One of the NICOR basic energy companies

# Leadership Day Set For May 1

Teen Leadership Day has been proclaimed by six governments for Thursday, May 1.

The proclamations from Lake Zurich Mayor Raymond P. St. Lake Mayor Carl J. Paulus, Round Lake Beach Mayor Carl Grimm, Waukegan Mayor Robert Sabonjian, Zion Mayor Howard B. Everline and Zion Twp. Sup. Truman Hudson are in recognition of the Teen Leadership

The proclamations further state the conference goals to include "ensuring that parents, teachers and other community members are aware of the agencies providing needed services and support."

In conclusion, the proclamations read, "This is to honor youth and help them prepare for their important roles in our common future."

The conference is to be held from 8:30 a.m. until 3:30 p.m. in the lower level of the center. The Illinois Parents Too Soon Program is funding the conference.

A coalition of concerned students, parents, school officials and social service agencies served as the planning board for the day's activities.

# Porn Availability

(Continued from Page 2B)  
always materially, but always with peace in our hearts.

One owner commented that the customers purchasing adult magazines look "normal." Unfortunately, molesters and rapists do not carry identifying signs. History tells us that some of the most vile criminals had the facial features of choir boys. Another owner stated that there "... is a market for skin magazines." There are markets for a great many harmful materials, but this does not justify those who supply them, regardless of the consequences.

Spokesmen for Playboy took exception to the Southland decision, asking, "How could anyone think a magazine like Playboy contributes to crime, sex and child abuse?" Well, a survey of 2,016 cartoons in Playboy, Penthouse, and Hustler revealed that 75 percent portrayed children in violent sexual acts, e.g., gang rape, father-daughter incest and the murder of a child by Santa Claus. Yet, a Playboy spokesman describes the presentation of sex in the magazine as done in "... a loving and tasteful way." I am curious to know how the gang rape of a child

can be presented lovingly and tastefully. How could anyone blame Playboy et al for molestation and abuse? Just ask the victims!

Southland spokesmen stated that their decision "... will help us become better neighbors ...." It appears that not all the franchise owners have the same sense of community responsibility that the parent corporation has exhibited. The local owners are saying, in effect, that you, their neighbors, want pornography to be freely available, because you have not told them otherwise. I urge you, read the results of research on pornography and look at the toll of its victims; then, visit, write, or call your local 7-Eleven owner if he/she has not removed pornography and voice your opinion. If you want pornography to remain available, all you have to do is remain silent. I hope you will not. This evil will never be totally removed, but let's get rid of the veneer of respectability and put it back in the gutter where it belongs.

William M. Slater  
Mundelein

# Slate Registration

Registration for the 1986 summer session at the College of Lake County begins Monday, May 5, for in-district residents.

Students may register in person on the Grayslake campus or the Lakeshore Campus, 111 N. Genesee St., Waukegan, or by telephone Monday through Thursday, 10 a.m. through 2 p.m., and 4 through 8 p.m.

Registrations also are accepted at the Southlake Center, 1860 First St., Highland Park, from 8:30 a.m. through 5 p.m., Monday through Thursday.

Continuing students began assigned priority summer registration April 21 for the eight-week summer session.

Classes begin June 9 and run through Aug. 1, and are offered for college transfer courses.

# Get Top Spot

The Democrats were the lucky winners on Wednesday, April 23, when the Democratic party won the lottery for top spot on the ballot for the November General Election, announced Lake County Clerk Linda Hess.

Gino Morani of Gloss Security drew the winning

party in the lobby of the Lake County Courthouse.

"Many people believe the top ballot position is worth a couple of percentage points," Hess explained. "So all Lake County Democratic candidates (about 15 positions) will have their names appear first on the ballot."

# Rumsfeld To Address County GOP Federation

"A perspective" will be Donald Rumsfeld's subject when he addresses the Lake County Republican Federation's 1986 Campaign Dinner May 16 at the Mundelein Holiday Inn, Rtes. 45 and 83.

The former congressman, secretary of defense, ambassador to the United Nations, chief of staff for President Jerry Ford and head of the G.D. Searle pharmaceutical company, will describe the demands on American leadership three years down the road.

How U.S. presidential candidates must measure up to the challenges of increasingly dangerous times will come in for analysis. Rumsfeld will have observations on terrorism.

"It should come as no surprise to the audience," said Federation President Ned L. Fisher, "that Rumsfeld will be among the strong, experienced leaders that Americans will be turning to in 1988 and beyond. He has the credentials of effective leadership in government and business."

Today an investment banker and counselor, Rumsfeld has continued in the 1980's on assignments for President Ronald Reagan. He was a member of the Joint Advisory Commission handling U.S.-Japan negotiations, special envoy to the Middle East and

special envoy to the Law of the Sea Treaty.

He continues on the president's Arms Control Advisory Committee and as consultant to the National Security Council.

A native of Chicago, Rumsfeld attended Princeton University on a scholarship, and after graduation was a Naval aviator and all-Navy wrestling champion.

The dinner will start at 7:15 p.m. Denis H. Carroll, Lake Forest, is dinner chairman. U.S. Rep. John E.

Porter, 10th Dist., of Evanston, will introduce the speaker. Lake County Chairman Bob Neal will introduce candidates and officials.

Marilyn Sterbenz, of Antioch, will be chairman for cocktails, which will be available at 5:45 p.m. Hospitality chairman will be Tim Osmond, assistant treasurer, also of Antioch.

Federation Treasurer Ronald F. Strahan, of Wadsworth, and Michael E. Jaroch, of Lake Villa, are arrangements co-chairmen.

# Marriage Licenses Down To \$15

"Marriage licenses will now cost only \$15 instead of \$40," according to Lake County Clerk Linda Hess.

Hess explained, "Twenty-five dollars of the \$40 collected by our office for each license has been sent to the state to fund domestic violence programs. This fee was ruled unconstitutional by the Illinois Supreme Court."

Hess said, "While this is

good news for people getting marriage licenses, I hope the Legislature is successful in finding alternative ways to fund the domestic violence programs. They are needed programs and should receive adequate funding."

Couples who have paid the \$40 fee in the past may be reimbursed," noted Clerk Hess, "but we are still waiting for direction on this from the State of Illinois."

## ASRO To Meet

ASRO (Activity and Social Rehabilitation Organization) will meet for a general membership luncheon meeting May 13 at noon, at the Lamb's County Inn Restaurant in Libertyville. The restaurant is located at the junction of I-94 and Rte. 176.

## ROUND LAKE AREA PARK DISTRICT NOTICE OF HEARING

A public hearing concerning the proposed budget and the proposed levy increase of the Round Lake Area Park District will be held on May 8, 1986 at 7:15 p.m. at 916 W. Rollins Road, Round Lake Heights, Illinois, 60073.

The amount of property taxes, exclusive of election costs, extended or estimated to be extended on behalf of the Round Lake Area Park District for the preceding year is \$337,879.00

The amount of the proposed levy, exclusive of election costs, for the current year is \$464,913.00.

The percentage of increase of the current year levy over the amount extended or estimated to be extended for the preceding year is 37.6%.

Date: May 1, 1986

Wilma Turner, Secretary,  
Round Lake Area Park District

## ROUND LAKE AREA PARK DISTRICT TAX INFORMATION BULLETIN

The Round Lake Area Park District Board of Commissioners wish their taxpayers to know that the Truth and Taxation Requirements as specified in the adjoining advertisement is not a true and accurate reflection of the true tax levy ordinance for 1987. The tax rate for 1987 will be estimated at a 3.5% increase from 1986 due to the increase in liability insurance. This Truth in Taxation Law is a comparison between last year's tax dollars and this year's estimated levy which is not a reliable figure. For example, last year the increase stated in the paper was 11.5% and actually the tax rate decreased 1.0%. The Board of Commissioners feel you should know the truth in taxation.

# County Dems Forgot George Sangmeister

by JOHN STEINKE

Adlai E. Stevenson III is making his second run for the governorship against GOP incumbent Jim Thompson. Four years ago, Stevenson narrowly lost to the 10-year governor. Last month, Stevenson captured the Democratic gubernatorial nomination again. But Democratic primary voters selected two Lyndon H. LaRouche supporters for statewide offices: Mark Fairchild for lieutenant governor and Janice Hart for secretary of state. They call for overturning the Gramm-Rudman-Hollings balanced-budget legislation; an emergency campaign to clamp down on laundering of drug money; and mandatory testing for AIDS.

## Steinke On Politics

Lake County Democrats supported both of these ultra-right candidates in the March 18 primary. Fairchild received 3,953 votes to State Sen. George Sangmeister's 3,168. The 28-year-old Fairchild polled 55.5 percent of the vote compared to the Will county legislator's 44.5 percent. Sangmeister was Stevenson's choice for lieutenant governor. Among Lake County's 10,342 Democratic voters, 3,221 didn't record any choice in the Fairchild-Sangmeister race. Thus, 31.1 percent of the party's electorate didn't participate in the lieutenant governor's contest.

Fairchild captured 11 out of Lake County's 18 townships. He carried four twps. with Democratic enclaves: Avon, Shields, Waukegan and Zion. The only predominantly Democratic area, which rejected Fairchild's candidacy, was Deerfield Township. Highland Park is primarily Jewish while Highwood is populated by Italian-Americans. Here is the rank/order in which Fairchild ran in the county's townships:

### 1986 Democratic Primary For Lieutenant Governor

Twp.	Fairchild's % of the Vote
1. Zion	70.1%
2. Newport	67.6%
3. Shields	64.1%
4. Avon	61.6%
5. Waukegan	61.5%
6. Benton	59.6%
7. Wauconda	59.4%
8. Lake Villa	58.4%
9. Antioch	58.1%
10. Grant	57.6%
11. Fremont	56.7%
12. Warren	45.6%
13. Vernon	43.7%
14. Deerfield	43.2%
15. Libertyville	42.9%
16. West Deerfield	42.8%
17. Cuba	40.4%
18. Elmhurst	37.5%

Four of the strongest Democratic regions furnished Fairchild with better than 60 percent of the vote. These areas are populated by blue-collar workers, labor union members, Chicago migrants, Hispanics and Blacks. The election returns suggest that local party leaders did not call enough attention to George Sangmeister. He was the mainstream candidate, who seemed to have only token opposition.

# Obituaries

## Cynthia Schoff

Funeral mass for Cynthia J. Schoff, 43, of Round Lake, was held on Saturday, April 26, at St. Joseph Church in Round Lake.

Mrs. Schoff died on April 23, at Lake Forest Hospital in Lake Forest. She was born on June 28, 1942 in Chicago, and had made her home in Round Lake for over 30 years.

She was a member of St. Joseph Catholic Church in Round Lake and attended Round Lake Area Schools.

Survivors include her husband, Dennis L.; two sons, Bradford D. and Gregory J., both at home; her parents, Albert and Mary Retis of Round Lake; one brother; two sisters; and two nieces.

Interment was at St. Casimir Cemetery in Chicago.

Robert (Patty) of Virginia; 19 grandchildren; and three great-grandchildren.

Interment was private.

## Clara Antink

Funeral services with Mass of Christian Burial for Clara R. Antink, 82, of Trevor, were held on Thursday, May 1, at Holy Name Church in Wilmot.

Mrs. Antink died on Sunday, April 27, at St. Therese Hospital in Waukegan. She was born on July 11, 1903 in Batavia.

Survivors include three sons, Robert (Audrey) Jordan of Villa Park, William (Darlene) Jordan of Ohio and Glenn Antink of California; one brother; and eight grandchildren.

Interment was at Queen of Heaven Cemetery in Hillside.

## Alinda Schultz

Funeral services for Alinda G. Schultz, 84, of Lindenhurst, were held on Friday, April 25, at the Strang Funeral Home in Antioch.

Mrs. Schultz died on Monday, April 21, at Libertyville Manor Nursing Home in Libertyville. She was born on April 14, 1901 in Wisconsin, and had lived in Lindenhurst since 1968.

Survivors include her husband, Albert; one son, Allen of Zion; one brother; two sisters; and three grandchildren.

Interment was at Memory Gardens in Arlington Heights.

## Mary Passe

Graveside services for Mary A. Passe, 87, of Round Lake Beach, were held on Monday, April 28 in Minnesota.

Mrs. Passe died on April 25, at St. Therese Medical Park in Waukegan. She was born on Jan. 26, 1899 in Minnesota, and had been a resident of Round Lake Beach for the past three years.

Survivors include one son, Marvin (Mary) Schmidt of Minnesota; three daughters, Rose (Earl) Zabel of Wisconsin, Dolores (James) Lorenz of Wisconsin and Elizabeth Kock of Round Lake Beach; 26 grandchildren; and many great-grandchildren.

Arrangements were made by MacGillis Funeral Home in Round Lake.

## Florian Schardt

Funeral mass for Florian J. Schardt, 78, of Gurnee, was held on April 26, at Holy Family Church in North Chicago.

Mr. Schardt died on April 24 at her home. He was born on Aug. 2, 1907 in Wisconsin. He was a member of the Holy Family Church in North Chicago, the Swedish Glee Club and the AARP.

Survivors include three sons, Ronald (Joyce) Schardt of Waukegan, Thomas (Lois) Schardt of California and Howard (Jan) Schardt, also of California; one daughter, Joan (William) Lodes of Waukegan; nine grandchildren; five great-grandchildren; two brothers; and two sisters.

Interment was at Ascension Cemetery in Libertyville.

## Halford Baseley

Funeral services for Halford (Dick) R. Baseley, 76, a lifelong resident of Grayslake and Fox Lake, were held on Friday, April 25, at the K.K. Hamsher Funeral Home in Fox Lake (in the chapel on the lake).

Mr. Baseley died on Tuesday, April 22, at Victory Memorial Hospital in Waukegan. He was born on Oct. 12, 1909 in Grayslake. He was an electrician by trade for 36 years and was a member of the International Brotherhood of Electrical Workers Union 150 of Waukegan.

Survivors include his wife, Jane Baseley (nee Smith) of Fox Lake; two sons, Jack (Dianna) Baseley of Grayslake and Tom Baseley of Fox Lake; two nieces; four nephews; and great-nieces, great-nephews and other relatives.

Interment was at Grant Cemetery in Fox Lake.

## Howard Ellis

Funeral services for Howard Ellis, 78, of Silver Lake, were held on Wednesday, April 30, at the Strang Funeral Home in Antioch.

Mr. Ellis died on Sunday, April 27 in Wisconsin. He was born on July 7, 1907 in Woodstock, and had lived in Silver Lake since 1920.

Survivors include one sister, Edith (Art) Cook of Wisconsin; and two brothers, James of Kenosha and Arthur (Hazel) of California.

## Wilma Holstrom

Funeral services for Wilma Holstrom (Billie), 64, of Antioch, were held on April 25, at the Maginot Funeral Home in Antioch.

Mrs. Holstrom died on Tuesday, April 22, at the Terrace Nursing Home in Waukegan. She was born on Aug. 19, 1921 in Johnson City, Ill., and had been a resident of Antioch for the past 30 years.

Survivors include her husband, George; four daughters, Sharon Holstrom of Waukegan, Sally (Ray) Rushing of Louisiana; Sandra (Michael) McMillan of San Diego and Kim (Steve) Cali of Antioch; three sons, Larry of Virginia, Ronald (JoAnne) of Fox Lake and

# Counts Is New Counselor

The Antioch Pastoral Counseling Center announced the addition to its staff of Andrew Counts on a part-time basis. Counts, a graduate of Trinity Evangelical Divinity School, Deerfield, is presently doing psychotherapy part-time at the Zion Clinic Counseling Service, in Zion and is former executive director of Concern Counseling Center in Waukegan.

Though specially trained in the group treatment of

men who batter their spouses, Counts' practice consists mainly of individual, marital and family counseling.

An open house at the Antioch Pastoral Counseling

Center will be held from 2 to 5 p.m. on Sunday, May 18, to welcome Counts and to familiarize interested agencies and individuals with the services of the center. The center is located

in the Heritage Professional Building, 800 N. Main St., Antioch.

This fall, the Antioch Pastoral Counseling Center will celebrate its seventh anniversary.

# To Hold Conference On Domestic Violence

A Safe Place shelter for victims of domestic violence in conjunction with the Lake County Domestic Violence Task Force will sponsor a conference on May 20 entitled "Establishing Lake County's Intervention Program For Domestic Violence: We're On Our Way."

The conference will be held at the Mundelein Holiday Inn, located on Rtes. 45 and 83.

The conference will feature an update on Lake County's intervention model by Chief Judge William D. Block. In addition, Abishi C. Cunningham from the Cook County State's Attorney's

Office will appear as a guest speaker, and a keynote address will be provided by Joanne Robinson from the Illinois Attorney General's Office.

This conference is a continuing effort toward the development of a collective vision of a community free from domestic violence. This year's conference will feature 17 individualized workshops throughout the day that have been targeted to assist laymen, as well as particular professional groups, to effectively advocate and intercede in domestic violence situations.

A registration fee of \$30 will be required from con-

ference participants. This fee will include the cost of the provided continental breakfast, luncheon and information resource packets. Pre-registration, via the mail, can be accomplished up until the deadline date of May 10.

Breakfast and registration, for those who wish to do so at the door, will commence at 8:15 a.m., with the conference scheduled to be completed by 4:30 p.m. Individuals wishing further information about the conference or wishing to initiate the registration process should contact A Safe Place shelter at (312) 249-5147.

## To Hold Luncheon

The Job Training Partnership Act (JTPA) will be featured at the National Women's Political Caucus-Lake County spring potluck luncheon, Sunday, May 4, at 12:30 p.m. at the Libertyville Twp. Hall.

All Lake County residents are invited. For luncheon reservations, call (312) 432-5612. No reservations are necessary for the program that follows the luncheon.

# CLC Announces Reorganization

At its April 22 meeting, the College of Lake County Board of Trustees established two new administrative offices; office of the dean of curriculum and instruction, and office of student recruitment.

"This action is part of the college's on-going process of organizational development. It is a response to new challenges of how to serve, who to serve, and how many to serve," according to Board Chairperson Millicent Berliant.

Berliant explained, "The number of administrative positions has not increased

since 1979, although the number of functions performed by administrators has increased significantly."

Positions created by the administrative reorganization are dean of curriculum and instruction, director of student recruitment, student recruitment assistant, and secretary to the dean of curriculum and instruction.

In other business, three contracts between Commonwealth Edison and the CLC Center for Economic Development were approved for one year each. In addition, a contract with the Lake County Sheriff's Dept. was approved.

Barbara Edwards was named director of the Small Business Development Center effective April 23. This newly established position is grant-funded. Edwards will act as a liaison with new and existing small businesses. She will coordinate workshops for small business, as well as counseling businesses to determine needs and how they may be met.

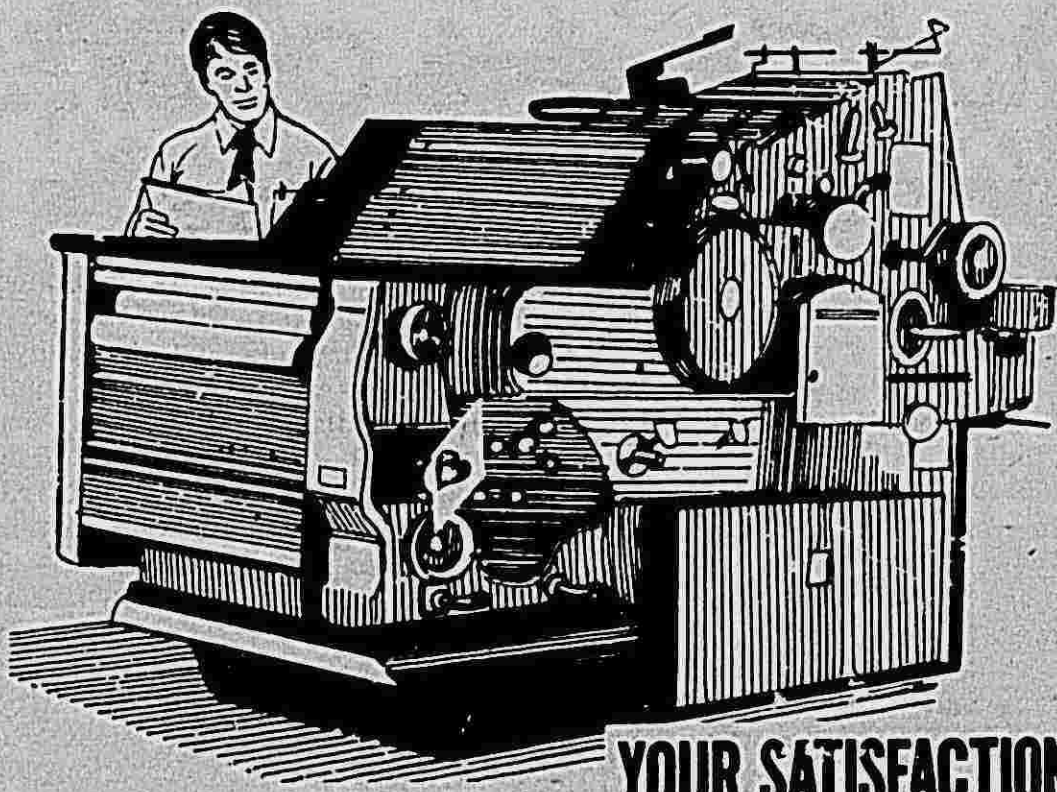

The board approved a modification of the Learning Resource Center contract with Ft. Sheridan. The \$20,000 reduction in man-hours of service is a result of the Gramm-Rudman Act.

A \$16,000 grant from the Illinois State Board of Education for funding the Instructor Qualification Program to provide a Math Scholarship Summer Program for Lake County elementary and secondary teachers was accepted.

The board also recognized retiring Bookstore Director Barbara Subject, who has been with the college since 1969. In other personnel related matters, the resignation of Dr. Kathleen Arns, provost, was accepted effective June 30. She leaves to assume the presidency of Central Arizona College, Casa Grande, Ariz.

# Travel

## National Tourism Week Celebrates Observance

National Tourism Week celebrates its third observance during May 18-24. Tourism, basically a service industry, is the third largest employer and dollar producer in America...some say it's second only to agriculture. The differences stem from who is counting and for what purpose. No one doubts that tourism is the major income of many states.

The U.S. Dept. of Commerce's Travel and Tourism Administration observed its silver anniversary this year. Never in that period has the national economic impact of travelers been greater than now. In 1984, travelers in the U.S. spent \$224 billion, up 10 percent from the previous year, says Travel Industry Assn. of America.

One in 15 working Americans is supported directly or indirectly among nearly seven million travel industry jobs. Tourism Week's

theme, "Tourism Works For America," could also be equally appropriate by saying, "Americans Work For Tourism."

Counting visitors is done in many ways. Michigan, as an example, has 11 highway welcome centers. Not everyone stops and neither does everyone drive, but 1.8 million visitors did stop last year for services.

Welcome centers offer free counseling, travel information and literature. Current state maps are generally at hand and now many states include toll free telephones for travelers to make in-state reservations.

Illinois is doing its part, too. A new free spring-summer calendar of events is available. It's designed to guide travelers through every region of the state. The new guide includes state parks, historic sites, museums, special activities and events. It also contains addresses of local visitor

bureaus within the state. This April-September update may be obtained by calling 1-800-223-0121. Illinois' Chicago Tourist Information Center is at 310 S. Michigan, Suite 108, 60604. Their phone is (312)793-2094.

Overseas travelers find Europe more expensive this year as the American dollar drops in exchange value. It's now about as expensive to travel in West Germany or the Netherlands as at home. Austria costs are higher than here by nine percent and Denmark by 28 percent. Switzerland is Europe's costliest country for travelers and rockets over our costs by 38 percent. Dollar bargains still apply in the Mediterranean area, but recent events have cooled American enthusiasm for visiting that sector. Travelers want to be safe and enjoy their vacations.

Enjoy America, may be Mary McKenney's slogan. She lived through the 1906 California earthquake. It destroyed San Francisco, but not Mary. She thinks California is great and has for the past 112 years. There is nothing wrong with sampling the limitless U.S. travel opportunities.

## Palm Springs: Hit The Waves And The Slopes

Palm Springs has always been known as a warm refuge for those seeking a winter escape, a chance to perfect an imperfect backstroke or just gaze upon a field of wildflowers. But this spring, this city will offer something of which no other desert resort in the world can boast.

For the first time, Palm Springs will be the only place the visitor will be able to snow-ski and surf within a 10-mile radius.

Visitors who wish to take to the slopes can ride up on the Palm Springs Aerial Tramway, which takes passengers past sheer granite cliffs and alpine landscape. Once at the mountain station, cross-country skiing is available as well as miles of hiking trails.

Admission prices for the tram are \$11.95 for adults, \$6.50 for children under 13. After 4 p.m. a hickory-pit barbecue "Ride 'N Dine" special includes round-trip tram fare and choice of chicken or prime rib dinner priced at \$15.95 for adults and \$10.50 for children.

Soon visitors can also bring their "boogie boards" on vacation to Palm Springs when the Oasis Water Park opens its gates in early April. The \$8 million recreational park will feature a wave machine for body surfing, 1,500 feet of free-fall water slides and a picnic area.

The park will charge a flat fee of \$14.95 for use of all facilities and will offer bargain rates in the evening. Admission prices for children under 12 will be priced at \$9.95. For a separate fee, a private health club is available. There will also be valet parking.

Of course, other athletic activities abound in Palm Springs. There are over 60 golf courses in the area and tennis buffs can choose from 350 courts. There is bike riding on four city loops which wind through the downtown area, country club homes, the

airport and civic center.

For the more hearty, a visit to Smoketree Stables is recommended for a horseback ride into the Indian Canyons, where oasis-like gorges, running streams and towering palms create a tranquil setting for an equestrian outing.

A \$3 admission fee allows a visitor to explore three canyons and view native Washingtonian filifera palms, granite rock formations and the famed blooming desert wildflowers.

The springtime is the perfect time for events and attractions in Palm Springs. The world-famous Gordon Bennett Balloon Race will highlight the season on Saturday, May 3, with festive activities surrounding the lift-off. The colorful helium-filled balloons are set to take to the air over the desert following mid-morning launch ceremonies at Ruth Hardy Park.

International balloonists from Switzerland, France, Germany, Italy, Poland and the United States are expected to participate in the race, which recognizes distance rather than speed. Entertainment and concession booths will add to the carnival-like atmosphere.

If floating in the sky sounds inviting, there are several hot air balloon companies in the area that will take visitors on early morning and late afternoon rides.

While many communities are just beginning to thaw out from the winter cold, Palm Springs' temperatures are inviting and there is plenty of activity. For information on hotel accommodations and things to see and do, write the Convention and Visitors Bureau, Dept SPK, 255 N. El Cielo Rd., Suite 315, Palm Springs, Calif. 92262.

## May Flowers Offer Standing Promise

May flowers from April showers are a standing promise as Walworth County, Wis. becomes a beautiful, blooming gateway to the state's southern sector.

The month of May opens Wisconsin's gamefish season. Lake Geneva produces outstanding catches, with its great depths offering wallhanger habitat. Likewise, 20 other nearby lakes provide table fare for spring anglers.

Gage Marine's pleasure fleet of five excursion boats on Lake Geneva offer table service luncheon cruises. Their sternwheel riverboat has viewing comfort and past century design. Two beautifully restored steam yachts are also part of the fleet. For details direct from the Riviera Dock, call 1-800-558-5911.

On May 10, a 26 mile marathon run will trace the picturesque perimeter of Lake Geneva-advance registration is \$10. All age groups are included and prizes will be awarded.

Sunday, May 11, could be the occasion to take mom out, for a day or weekend, to show-family appreciation. The Lake Geneva area provides extensive overnight facilities in every price range, excellent dining, boat rides and scenery in all shades of spring green. Seven major resort complexes present sophisticated, seasonal recreation, just the thing for mom on her day.

The town of Lake Geneva will celebrate its 100th anniversary June 14-20. Anniversary days bulge with specially planned activities.

Kicking off with a salute to Wisconsin's dairy industry,

old fashioned, Saturday afternoon ice cream socials may be enjoyed at the Abbey, in Fontana, and Flat Iron Park, bordering Lake Geneva. Add an antique and classic boat rally, an Andy Gump look-alike contest, a parade, plus open house in downtown Lake Geneva. Then there's weekend excursion boat rides and an afternoon street dance...all this just to get the celebration started. For festivity facts, write Walworth County Tourism, Box 1007, Elkhorn, Wis. 53121.

Overnighters should make advance reservations for this one-in-a-hundred weekend. A call to the Chamber of Commerce, 1-800-345-1020, will bring up-to-date information and assistance.

## Tips For Country Driving

Over 23,000 highway accidents each year involve farm machinery on rural roads. According to the National Safety Council, major causes include motorists speeding or following too close, lack of a slow-moving vehicle emblem properly displayed on the implement and motorists misjudging their approach time to the implement.

As planting season begins in rural America, country roads and highways become busy with tractors pulling planters, field cultivators and fertilizer equipment. This situation invites accidents, so motorists must stay alert to avoid the many hazards common to rural roads.

Here are some tips for motorists who travel rural roads:

- travel at safe speeds determined by the time of day and the terrain of the road. Be prepared to stop or slow down considerably at a moment's notice.
- keep attention to the

road. At 50 miles per hour, a car can travel a quarter of a mile in 18 seconds, the time it takes for a tractor pulling a large implement to cross the road.

-watch for triangular, two-color Slow Moving Vehicle (SMV) signs, and be aware that machinery with these signs will be traveling at speeds of less than 25 m.p.h.

-be patient. Most farmers will pull to the side of the road to let you pass at their first opportunity. Don't take unnecessary chances passing blindly.

-be alert to narrow bridges. Many rural roads still have single-lane bridges.

-watch for livestock and wildlife on roads. Wild and domesticated animals may be confused by headlights and suddenly dart into your path.

-farm equipment is frequently very wide, taking up more than one lane of a road.

-night driving in the

country is much different from driving in the city. There are no street lights to illuminate blind intersections. Hills and curves can hide approaching traffic, which may be farm equipment with less than full lighting in use.

-signs that guide you on highways may be missing, damaged or weed covered on the back roads. Intersections and other hazards may never have been marked. Many rural railroad crossings have no automatic signals.

-loose gravel, mud on the pavement, extra smooth black top without seal coat and lack of use of ice melters can be additional hazards.

### Dialysis Dialogue

On Monday, May 5 at 10:45 a.m., Victory Hospital Social Services personnel will lead "Dialogue about Dialysis," a group for dialysis patients and their families. Call (312) 360-4034.

### How can the Joneses afford a week on the Gulf Coast?

Sit down to a seafood dinner in any one of our waterfront restaurants and the couple next to you will probably be from Illinois. How can they afford it? Easy. Our hotel and motel rates are lower right now because it's off-season. So a lot of your Chicago neighbors are here enjoying the season we call winter — although you might call it spring. Our sun shines bright year round. So you can play golf on our 11 courses. Eat fresh seafood. Or stroll on the beach in just a jacket. Our free planner shows you just how little it costs. ☐ Send for yours today. Then just act smug when your neighbors ask how you can afford it.

**COUNTY ZONING  
NOTICE**

**STATE OF ILLINOIS  
COUNTY OF LAKE,  
TO WHOM IT MAY CON-  
CERN:**

PUBLIC NOTICE is hereby  
given to all persons in the  
Town of Grant, Lake Coun-  
ty, Illinois, that a public  
hearing will be held on  
Wednesday, May 28, 1986,  
at 1:30 p.m., in the Grant  
Township Hall, 411  
Washington St., Ingleside,  
Ill., 60041, relative to a  
request for a Conditional  
Use Permit (CUP) in a Ur-  
ban Residential-3 (UR-3)  
Zone for the purpose of  
providing deep fill in the  
floodplain to elevation  
743.7 so that single family  
dwellings can be con-  
structed on the subject  
parcels and full beneficial  
use of the subject lands  
can be affected on the  
following described real  
estate, to-wit:

**PARCEL 1:** That part of  
the northwest quarter  
of fractional Section 4,  
Township 45 north,  
Range 9, east of the  
third principal meridian  
described as follows:  
Beginning at a point on  
the easterly line of  
Lake Vista Terrace in  
Fox Lake Vista Unit 2, a  
subdivision recorded in  
book "R" of plats,  
pages 72 & 73 as  
document 300988, a  
distance of 480.0 feet  
northeasterly from the  
intersection of said  
easterly line of the  
Chicago, Milwaukee  
and St. Paul Railway;  
thence southeasterly at  
right angles to the  
easterly line of said  
Lake Vista Terrace  
320.0 feet; thence north-  
easterly at right  
angles to the last men-  
tioned line 169.70 feet;  
thence northwesterly  
at right angles to the  
last mentioned line  
320.0 feet to the  
easterly line of said  
Lake Vista Terrace;  
thence southwesterly  
along said easterly line  
169.70 feet to the place  
of beginning (except  
that part thereof falling  
within the lands  
described in document  
834649) in Lake County,  
Illinois.

**PARCEL 2:** That part of  
the northwest quarter  
of fractional Section 4,  
Township 45 north,  
Range 9, east of the  
third principal meridian  
described as follows:  
Beginning at a point on  
the easterly line of  
Lake Vista Terrace in  
Fox Lake Vista Unit 2, a  
subdivision recorded in  
book "R" of plats,  
pages 72 & 73 as  
document 300988, a  
distance of 649.7 feet  
northeasterly from the  
intersection of said  
easterly line with the  
easterly line of the  
Chicago, Milwaukee  
and St. Paul Railway;  
thence southeasterly at  
right angles to the  
easterly line of said  
Lake Vista Terrace,  
320.0 feet to the  
westerly line of the land  
described in  
document 805486; then-  
ce northwesterly at  
right angles to the last  
mentioned line 355.0  
feet to the northwest  
corner of lands  
described in document  
2016631; thence north-  
westerly along the  
northerly line 225.0  
feet to the intersection  
with the southerly line  
of lands described in  
document 886880 as ex-  
tended southeasterly;  
thence northwesterly  
along said southerly  
line as extended and  
along said southerly  
line to the easterly line  
of said Lake Vista  
Terrace; thence south-  
westerly along said  
easterly line 130.0 feet  
to the place of begin-  
ning in Lake County,  
Illinois.

**PARCEL 3:** That part of  
the northwest quarter  
of fractional Section 4,  
Township 45 north,  
Range 9, east of the 3rd  
P.M., described as  
follows: Beginning at a  
point on the easterly  
line of Lake Vista  
Terrace, 480 feet from  
the intersection of the  
easterly right of way  
line of the Chicago,  
Milwaukee, St. Paul  
and Pacific Railway  
right of way; thence  
southeasterly at right  
angles to the easterly  
line of said Lake Vista  
Terrace, 320 feet; then-  
ce northeasterly at  
right angles to the last  
mentioned line 140 feet  
for a place of begin-  
ning; thence continuing  
northeasterly on an ex-  
tension of the last men-  
tioned line 154 feet;  
thence southeasterly at  
right angles to the last  
mentioned line 232  
feet, more or less, to  
the meander line; then-  
ce southwesterly along  
the meander line of  
channel to a point  
which is 154 feet at  
right angles to the last  
mentioned line; thence  
northwesterly at right  
angles a distance of 226  
feet, more or less, to  
the place of beginning  
in Lake County, Illinois.

The property is located  
on the northeast side of  
William Place between  
Lake Vista Terrace and  
northwest and  
southeast of Jeanette  
Court, Grant Township,  
County of Lake, State of  
Illinois, U.S.A.

As a result of the  
petition of EDWARD H. and  
JEANETTE WATTS and  
NORA M. MAY (record  
owners), which petition is  
on file and available for  
examination in the office  
of the Lake County Zoning  
Board of Appeals, County  
Administration Building,  
18 N. County St.,  
Waukegan, Il., 60085. All  
interested persons are in-  
vited to attend said  
hearing and be heard.

Lake County Zoning  
Board of Appeals  
John P. Reindl

For this hearing,  
reasonable ac-  
commodation will be made  
for handicapped persons.  
This includes ac-  
commodation for the  
vision and hearing im-  
paired if a request is made  
within 48 hours of the  
meeting time.

Dated at Waukegan,  
Illinois, this 17th day of  
April 1986.

**CIRCUIT, LAKE COUNTY,**  
**ILLINOIS.**

First Federal Savings and Loan of Freeport, Plaintiff,

vs.

Timothy J. Towne, et al.,  
Defendants.

No. 86Ch208

The requisite affidavit for publication having been filed, notice is hereby given you, Unknown Owners, defendant(s) in the above entitled suit, that the said suit has been commenced in the Circuit Court of Lake County, Chancery Division, by the said plaintiff-against you and other defendants, praying for the foreclosure of a certain (Mortgage) conveying the premises as follows, to-wit:

Lot 43 in Sunnyside Park, a Subdivision of part of the North East 1/4 of Section 21 and the North West 1/4 of Section 22, Township 44 North, Range 11, East of the Third Principal Meridian, according to the plat thereof recorded August 7, 1923 as Document 227922, in Book "L" of plats, page 108, in Lake County, Illinois.

Commonly known and described as 228 Sunnyside, Libertyville, Illinois.

and which said (Mortgage) was made by Timothy J. Towne, Mortgagor, to First Federal Savings and Loan of Freeport, as (Mortgagee), and recorded in the office of the Recorder of Deeds of Lake County, Illinois, as document number 2324415, and for other relief; that summons was duly issued out of the said Court against you as provided by law, and that the said suit is now pending.

Now, therefore, unless you, the said above named defendant(s), file your answer to the Complaint in the said suit or otherwise make your appearance therein, in the office of the Clerk of the Circuit Court of Lake County, in the Lake County Courthouse, Waukegan, Illinois, on or before the 2nd day of June, 1986, default may be entered against you at any time after that day and a Judgment entered in accordance with the prayer of said Complaint.

Dated, Waukegan, Illinois, May 1st, 1986.

Notice is hereby given that the Round Lake Area Park District will receive sealed bids at the Round Lake Area Park District, 916 W. Rollins Road, Round Lake Heights, Illinois until Monday, the 12th day of May, 1986, at 2 p.m., local time, for the purchase and installation of the pump at the lift station, for the construction of SEWER AND WATER MAIN EXTENSIONS, at which time and place the bids will be publicly opened and read.

Plans and specifications may be obtained from the Round Lake Area Park District, 916 W. Rollins Road, Round Lake Heights, Illinois, 60073, beginning Thursday May 1, 1986, upon a non-refundable deposit of \$15 for each set.

Contractors for this contract must comply with the following:

a. "As this construction project is to be federally funded, all labor standards and equal opportunity regulations will be enforced.

b. The contractor for this project will be required to comply, to the greatest extent feasible, with all Section 3 regulations pertaining to provision of opportunities for training and employment to lower income residents of the project area and to the provision that contracts for work in connection with the project be awarded to business concerns located in, or owned in substantial

part by, persons residing in the area of the project."

Not less than the prevailing rate of wages as found by the Round Lake Area Park District or the Department of Labor or determined by the Court or Review shall be paid to all laborers, workmen, and mechanics performing work under this contract.

All proposals must be accompanied by a bid bond, certified check, bank-cashier's check, or bank draft, payable to the Round Lake Area Park District for five per cent of the amount of the bid as provided in the instructions to Bidders.

Any contract or contracts awarded under this Invitation for Bids are expected to be funded in part or through the HUD program for Community Development Block Grants. Neither the County of Lake, nor HUD will be a party to this Invitation for Bids or any resulting contract.

The Round Lake Area Park District reserves the right to defer acceptance of any proposal for a period not to exceed thirty (30) calendar days after the date bids are to be received and to reject any or all proposals, and to waive technicalities.

**NOTICE  
ZONING BOARD OF  
APPEALS WAUCONDA,  
ILLINOIS**

Public Notice is hereby given pursuant to a Petition on file in the Office of the Village Clerk of the Village of Wauconda, that a Public Hearing will be held on May 19th, 1986 at 8:00 P.M. in the Village Hall in Wauconda to hear the Petition of THOMAS M. MAYER, JR. and MARILYN MAYER owners of the following described real estate, to-wit:

Lots 13 and 14 and that part of Alvina Street lying West of Lot 14, in Block 1, in the First Addition to At Home Subdivision, being a subdivision of part of Section 25, Township 44, North, Range 9, East of the Third Principal Meridian, in Lake County, Illinois.

The physical location of the property is on High Street north and northeast of the intersection with Alvina Street in the Village of Wauconda and the common address is 25616 High Street in Wauconda, Illinois, 60084.

The Petitioners are requesting that the Village Ordinance be amended to incorporate the Annexation of these premises, and that said premises be classified and zoned as R-3 District.

Said Petition is available for examination in the Village Clerk's Office at the Village Hall in Wauconda, Illinois.

Interested persons are invited to attend said hearing and be heard.

Respectfully submitted,  
Bruce Buschick,

### Pet Of The Week

This week's focus, Sam, is a free spirit. This is obvious by the way Angela Correa is holding onto her pet. Sam is much more interested in chasing his ball, than posing for photographs. This was confirmed by a growl from Sam while this photographer was snapping the shot! Two year old Sam is part golden retriever and an excellent watch dog. Besides playing ball, Sam likes having his tummy rubbed. Angela is a fifth grader at Salem School. If you'd like to have your pet in Lakeland's spotlight, contact the editor of this newspaper. —Photo by Cindy Kujak

## College To Show Scenes

A one-hour collection of scene showings from famous plays will be presented to students, staff and the public on Friday, May 9 at noon in building 5 at the College of Lake County, Grayslake.

Students will present important scenes from productions such as "Agnes of God," "Mr. Roberts," "That Championship Season,"

"Cat on a Hot Tin Roof," "The Laundromat," "Man for All Seasons," and "The Shadow Box."

"As part of their final project for SPE 125 acting class, students get a chance to practice what they've learned in front of a real audience," said Robert Coscarelli instructor of the

course.

The scene showings are not meant to represent a complete show, but rather are a chance for people unfamiliar with the acting process to get an inside look at what goes on in a basic acting class, Coscarelli explained. The presentation is free.

# Philip Hettich Earns Top Eagle Scout Award

Philip Hettich received the Eagle, scouting's highest honor, at an Eagle Court of Honor on Sunday, April 20. Hettich, a senior at Antioch Community High School, joined Cub Scouts in 1976, advanced to Webelos in

1978, and joined Boy Scouts of American Troop 92 in 1979. While a member of Troop 92 he earned nine skill awards, 26 merit badges, received awards for participation in 12 special scouting activities, served in six different leadership positions from 1980 to the present, attended summer camp annually in Wisconsin, Michigan or New Mexico, and participated in dozens of troop activities.

Each Eagle candidate is required to plan and supervise a community service project that involves a minimum of 25 hours of the scout's time. Hettich chose as his project the renovation of the handicapped trail at Chain O'Lakes State Park. The project involved supervising Troop 92 scouts who trimmed brush and renewed the path of the one-third mile circular trail. In addition, they trimmed the trees and secured picnic benches in the handicapped trail picnic area. Ironically, Hettich con-

ducted this project as a handicapped individual on crutches following the fracture of his left femur two months earlier.

The Eagle Court of Honor was held at the Loyal Order of the Moose Lodge 525, Troop 92's sponsoring organization. The podium was surrounded by American flags, including a 48 and a 49 star flag. The invocation was led by Father Robert Tonelli. Master of Ceremonies and Assistant Scoutmaster Dick Weston

made the opening remarks and introduced the visiting dignitaries including three representatives from Northeastern Illinois Council, representatives from the Moose Lodge, and program participants.

Senior Patrol Leader David Weston led the presentation of colors. Scoutmaster Bernie Dost and Assistant Scoutmaster Bill Goetzelman presented the colorful Lighting the Eagle Trail ceremony in which the steps of the Scout Oath and Scout

Law were explained and represented by the lighting of candles. Committee Chairman Harold Clark summarized Hettich's scout history. Guest speaker Deacon Robert Gagnon spoke of the ways in which Eagle Scout Hettich exemplified the Scout law.

After Scoutmaster Dost read the Challenge and Charge to Eagle Scout, council representative Jim Stone formally presented Hettich with the Eagle. In turn, Hettich presented pins to his parents and spoke briefly to the group.

Philip Hettich

## Slate Concert

On Thursday, May 1, nearly 500 young musicians from Lake Villa Intermediate, Antioch Upper Grade, Emmons, Milburn, and Antioch High School will gather in the north gym of the high school for the 10th annual "Sequoia Area Music Festival."

Each band will perform several selections. Then, for

a finale, all 500 young people will perform John Philip Sousa's patriotic favorite, "Stars and Stripes Forever." The ACHS Jazz Ensemble and the Antioch Upper Grade Jazz Ensemble will also perform.

The concert is free to the public and starts at 7:30 p.m.

## Annual Cotillion Set For May 17

Tickets are now available for the Antioch Mental Health Association's 21st annual Cotillion. They can be purchased from members or at local financial institutions.

The date for the gala is Saturday May 17. The place is Harbor Ridge Country Club.

Cocktails and dinner will be followed by dancing to the musical group, "Arcade". To make the evening even

more special, Antioch's own Lloyd Pedersen will be performing.

This past year, the Antioch Mental Health Association has donated \$12,000 to the mentally handicapped in our area. More monies will be donated this year. These donations are possible because of the generosity of the people in our area in their support of the thrift shop at 921 Main Street and the yearly Cotillion.

# To Withdraw From Water Committee

In the latest turn of events to beset the Central Lake County Water Committee (CLCWC) in its quest to purchase Lake Michigan water, the Village of Mundelein is preparing to withdraw from the committee.

Acting on the recommendation of Mayor Colin McRae, Mundelein village

trustees authorized Village Atty. Charles Marino to prepare a resolution to withdraw from the committee. A second resolution was also passed to request that the village's initial share of funds to help form the committee be withdrawn.

The village's decision to withdraw comes after a con-

sensus of members on the water committee opted to return to its original plan to construct its own plan near the Lake Bluff water filtration plant. The committee also agreed to create a joint action water agency enabling it to provide ownership of a plant and to issue bonds.

Libertyville Mayor Paul Neal said the bonds could be issued through a referendum at five and a half percent of the assessed property valuation.

"From what I've read, Mundelein is concerned about using up their bonding power," Neal said. "The answer to that is 'no.' No one else wants to either."

Mundelein Trustee Richard Starkey responded, however, saying that the village "knows that directly, it won't be affected. But, we feel that indirectly, it does. People will still see themselves as paying taxes for a plant."

Throughout its investigation of possible water sources, member communities had divided into two tiers, with the idea that those to the north would either receive water from

the Lake County Public Water Dist. in Zion or from Waukegan. Those communities would include Gurnee, Grayslake and unincorporated Wildwood.

Communities in the southern tier, including Lake Bluff, Libertyville, Mundelein and Vernon Hills, and unincorporated Roundout and Knollwood were to receive water from a new lakefront plant.

Mundelein officials have expressed their interest in pursuing a proposal to purchase water from the existing plant in Highland Park.

McRae said that the village's position "should not cease our work in the field."

"Where Your Floral Wishes Come True"

# County Film Offers Lake County's Attributes

Lake County has 500,000 residents.

The county's median income has increased 20 percent annually.

Forty percent of the Lake County labor force is semi-skilled, 32 percent skilled and 28 percent unskilled.

Those are just a few of the numbers contained in "Lake County By The Numbers", a slide presentation viewed by the Grayslake Chamber of Commerce and Industry April 24.

Jay Burgess explained the slide show, which is funded by a grant of \$46,000 is aimed at promoting the advantages the county has in attracting businesses and jobs to the area.

"This does not preclude communities from promoting themselves. What we do is try and relate through the county some information to individual cities," Burgess said.

The slide presentation contains some 240 individual

slides and is available in video cassette form. "Lake County By The Numbers" was officially unveiled in February after its completion in December, 1985.

The presentation gives some lofty opinions of Lake County.

"We're Lake County, Illinois and we've got it all," the narrator says with pride.

"We have the numbers you like, the numbers you want. We're in a position to be in the heart of the Midwest

market - between Milwaukee and Chicago. We're one of the wealthiest counties in the nation. We've got the potential - an active present that's investing in the future," the narrator said.

The show points to such diverse areas as education, economics and the low tax base in the area compared to surrounding Chicagoland.

In education, the College of Lake County, Lake Forest

College, Shimer College, Lake Forest Graduate School of Management and Northwestern University are mentioned.

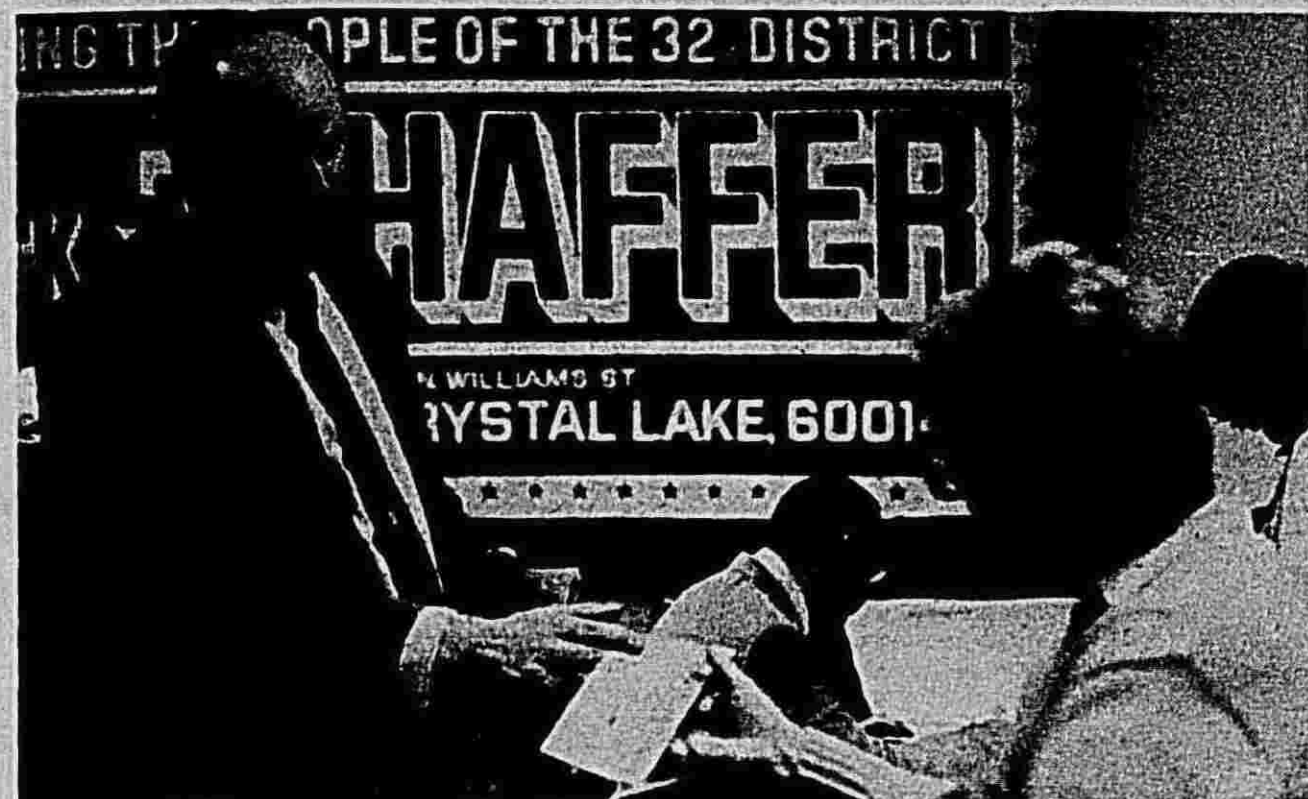

Economically, Lake County offers \$1.50 less per square foot in local taxes than surrounding areas.

The area's transportation network and readily available labor market are also highlights.

"What do you do when

people come to your community from far away and show an interest in your area? 'Lake County By The Numbers' tells them of the attributes of Lake County," Burgess said.

Burgess said the Lake County publicity subcommittee, established in 1984 by the county board, is run by volunteers appointed by the county board.

## Senator Schaffer at Trade Fair

Sen. Jack Schaffer (32 Dist.) distributes copies of his 1986 public opinion poll at the Crystal Lake Trade Fair, held at McHenry County College. The senator is seeking guidance from his constituents on some of the big issues that are before the General Assembly this spring, including the liability insurance crisis, repeal of the seat belt law and off-track betting. Many Lakeland area residents attended the fair and were in support of Schaffer's policies.

## IRS Gives Information On 1985 Refund Status

J.R. Starkey, Internal Revenue Service District Director for northern Illinois, announced that refund information is now available through the new IRS Automated Refund Information service.

Individuals who filed their 1985 tax returns and have not received their refund after 10 weeks should call 1-800-554-4477.

"Automated refund information is available from 6:30 a.m. to 11 p.m. Monday through Friday," noted Starkey. "Taxpayers should have a copy of their tax return available when calling for refund information. Callers must have available their social security number, filing status, and refund amount."

Starkey pointed out that

the automated refund system will not only provide longer hours of service and easier access than in the past, but those assistants who previously answered refund inquiries would now be available to answer more tax questions. The Automated Refund Information system will handle approximately 20,000 inquiries a day.

## BRING US YOUR SKILLS

Our growing group of Illinois and Wisconsin Newspapers has several opportunities open now in a fast-paced, exciting field.

### Circulation Clerk

Lakeland Newspapers needs a mature person with organizational skills for clerical duties in a growing circulation department. Must be service oriented and have knack for public relations. Normal office experience required. Some data processing knowledge helpful. Person who enjoys minimal supervision will be comfortable in this challenging position. Lakeland Newspapers offers full hospital insurance, vacation benefits and profit sharing.

Contact **William H. Schroeder**  
Publisher

### Telephone Sales

Do you like using the phone? If so, we have an interesting and challenging position for you! You'll be working in our telephone sales department selling classified ads and subscriptions. Hours are 5 p.m. to 9 p.m., Monday through Friday. No experience required, we will train you. An ideal way to supplement your family income. To apply, fill out an application at our office at:

**30 S. Whitney St.**  
**Grayslake, IL**

### Retail/Display Advertising Sales

Lakeland Newspapers is looking for a uniquely qualified person for our sales department. The applicant must be a self-motivator, highly organized and very dependable. This job will involve sales calls outside the office.

The applicant must demonstrate skills in interpersonal communications, creativity and personal responsibility. The applicant will work with a minimum amount of supervision. Since this position involves making contacts outside the main office, a car is necessary and mileage compensation will be made.

This job is not an easy one, but if you are persistent, outgoing, dependable, responsible and organized, you will be a success.

Contact **Bill Schroeder Jr.**  
Marketing Manager

### Accounts Payable

Growing business office has opening for person with interest in bookkeeping to take over accounts payable processing. Excellent opportunity. Must be conscientious and have high energy level. Familiarity with basic bookkeeping functions helpful. Interest in advancing important. We will train right person. Tell us about your goals and aims for a career. Salary commensurate with ability. Applications and resumes being received at:

**30 S. Whitney St.**  
**Grayslake, IL**

### Darkroom Lab Tech.

Part-time position as editorial darkroom photo lab technician open. Must be experienced in black and white film developing and printing. Weekends and flexible nighttime hours. We can train person with basic darkroom knowledge and desire to advance their skills in photography. To apply fill out an application at:

**30 S. Whitney St.**  
**Grayslake, IL**

To investigate any of these opportunities, contact the individual listed, or call us today.

## This Week's Business Spotlight

# Extra Closet Keeps Possessions Secure

The Extra Closet, 849 Anita, in Antioch, provides inside and outside self-storage for just about anything one doesn't have room for at home.

Inside units range in footage from 5 X 5 to 10 X 30. Several of the 10 X 30 units have a door at each end, which makes loading and unloading much easier.

Excellent security measures exist at the facility. All buildings are completely enclosed with six-foot high fencing, and another foot of wire above that. Bright lighting is

provided outside the buildings for extra security. Excellent police protection is also maintained. A vehicle detection system has been installed as an additional security measure.

RV, boat and car storage can be arranged. Insurance is also available.

Owners, John and Lorraine Blackman established the facility in 1984. Business hours are 8 a.m. to 5 p.m., Monday through Saturday; however, gates are open seven days a week. Prices are reasonable and fair. Discounts are offered on long-term storage.
